MONDAY, MAY 2, 1955 5:00 P.M.

The One Hundred Seventy First Annual Convention of the Protestant Episcopal Church in The Diocese of Pennsylvania assembled at The Church of The Holy Trinity, Philadelphia, on Monday, May 2, 1955 at 5:00 P.M., in accordance with the Constitution and the Resolution of the last Convention.

The Bishop of the Diocese called the Convention to order and opened the session with prayer.

A Quorum being present the Rev. Dr. Charles H. Long was duly elected Secretary and the Rev. Thomas A. Meryweather was appointed Assistant Secretary of the Convention.

The Rev. William Roulston McKean, chairman, presented the Report of The Committee on the Dispatch of Business which on Motion was adopted as follows:

Your Committee presents herewith its suggested program for the dispatch of business during the Convention.

In order to expedite the order of business, your Committee suggests that all Reports be made by title where feasible, and as an effort is to be made to transact the work of Convention in one full day, that discussion be curtailed as far as possible.

Should the Business of the Convention be not completed at 5:30 P.M. on Tuesday, May 3, 1955, a Recess shall be taken at that hour until 7:45 P.M. Should further time be required, Convention shall meet again on Wednesday, May 4, 1955, at 9:00 A.M.

The Rev. Howard A. Hopkins presented the Report of the Committee on Arrangements which was adopted.

The Secretary reported that there was one item of unfinished business to be discussed later. The letter received from National Council of Churches in reply to resolution of Convention 1954 (Appendix U, Page 281).

The Secretary read the Canon of Courtesy as follows:

The Secretary reported further:

Alternates have not seats, or votes in Convention except when they register with the Assistant Secretary certifying they are authorized to take the place of the elected deputy.

During the past year the Secretary has fulfilled his duties as prescribed by the Constitution and Canons as far as possible.

On December 16, 1954 the Parochial Reports were mailed and that on February 1st, 1955 when these reports were due only 89 of the 206 had been received. The Secretary would again stress the importance of making full returns on the Annual Reports of the Diocese for the General Convention.

That under date of March 2, 1955 he sent out the Calls and other Documents for the 171st Annual Convention.

ban areas, where whole communities have sprung up on farmlands, and since parts of the Chester Convocation are situated in the midst of this expansion, and

WHEREAS, according to the best available forecast, the continuing industrial expansion in the Delaware Valley will, by 1975, create an additional 600,000 jobs with a predicted population increase of two million, requiring the erection of 600,000 additional dwelling units, and since parts of the Chester Convocation, Diocese of Pennsylvania, will because of its geographical location, be required to absorb a proportionate share of this future population increase, and

WHEREAS, this increased population, both present and future, challenges the Church of Christ to minister to the religious needs of people and provide adequate facilities for worship and other Church activities, and since new congregations cannot at the outset provide necessary funds for erecting these facilities, and

WHEREAS, the Diocese of Pennsylvania does not now have available sufficient funds to meet adequately even the present challenge, and

WHEREAS, the Convocation of Germantown is preparing a somewhat similar resolution,

There has been so much building in the diocese during the past year that I shall not try to list them. A distinguished European visitor was asked, after a five months visit to the United States, what impressed him most. He replied, "The American Church and the American kitchen." I should like to combine his observation and say that I am impressed by the Church kitchens. The tremendous improvements in our church and parish house facilities is an evidence of how much our people care.

I understand that a motion will be made at this Convention to increase the salaries of all of our Diocesan Missionaries by $200 for the single men and $300 for the married men. I hope that the Convention will see its way clear to do this. At one of our Vestry Conferences, a Vestryman brought out the fact that in his parish

the Rector's salary was given serious consideration every year when the parish budget was made. This does not mean that the Rector's salary is increased every year, but at least, it is considered. In this particular parish the Rector's salary for 1955 was raised $150—not a large amount, but it did show that the parish was mindful of their Rector's need. I commend this Vestry's plan to all the Vestries in the Diocese.

We average about thirty-two hundred confirmations a year in this Diocese. In 1954 you exceeded the average by about five hundred. The exact number of those confirmed and received was thirty-seven hundred and fifteen. Several years ago in this Convention you expressed your determination to have four thousand confirmees a year. You missed that goal by two hundred and eighty-five in 1954.

I appreciate very much the cooperation of many Vestries and Rectors in the study that I have been trying to make this winter concerning those who have been confirmed in the last ten years. The study has covered only a limited number of parishes and I am, therefore, not able to make a thorough analysis of the whole Diocese. However, the study that I have been able to make has convinced me of several things.

To select at random two analyses will give some idea of the situation. In one parish the Vestry reported that the number confirmed during the ten years 1945 to 1954 was 160. Of this number, 73 (less than one-half) were still active; 60 were inactive or their addresses were unknown; 16 had been transferred to other parishes. I realize that we live in the midst of a moving population, but I still think that to lose 60 of the 160 during ten years is too large a percentage. I am convinced that the Vestries should make a thorough check at least once a year of those confirmed during the past ten years. The Vestry might well have some women serve on a Membership Committee whose duty it would be to check the parish list at least once a year.

In the second parish six hundred and thirty-six had been confirmed. Of this number four hundred and six were still active members of the parish. Of the remaining two hundred and thirty:

107	were inactive
20	transferred to the Diocesan Register
13	to other churches
33	transferred to other parishes
51	addresses unknown
6	died
230	

I mention this parish because this analysis of the record from 1944 through 1953 was made by the Vestry and the figures presented to me and the rector at the same time. I know that some of the clergy do not agree with me and feel that this matter is no concern of the Vestry and is their responsibility alone. I do not for one moment want to detract from the clergyman's responsibility. I know how concerned most of our clergy are. They bear their people in their hearts and prayers and especially those who are out on the periphery of the Church's life. But if we are a family of God, it seems to me that all the members of a parish should be concerned.

Another thing of which I am convinced is that our people do not understand the Church's law on letters of transfer. I have been accused of having invented the whole idea of letters of transfer. A layman wrote me a fiery letter in which he said, "You have practically put my grandmother out of the Church. She has lived in Philadelphia and been an active member of X parish for over forty years, but she would under no circumstances transfer her membership from dear old Siwash." I assure you that a letter of transfer is not my pet idea. The Church's Canon says, "A communicant or baptized member in good standing, removing from one parish to another, shall be entitled to receive and *shall* procure" a letter of transfer. If a person moves from one locality to another and still desires to go back to the parish in which he was confirmed and be active in that parish, the Church encourages him to do so. Unlike the Roman Catholic Church, we do not emphasize parish boundaries. However, if a person moves to a new locality and is not going to remain active in his own parish, the Rector of the former parish should encourage him to ask for a letter of transfer. In some cases, people refuse to do this for sentimental reasons. It should be pointed out to them that they can become active members of a parish without losing their interest and concern for their former parish. I was happy to read in one of our parish papers where the Rector welcomed 16 people who had transferred to that parish. Of these 16, 11 were from other parishes in this Diocese and 5 were from parishes outside of this Diocese. I wish that the Clergy would see that our people thoroughly understand what is involved in a letter of transfer. At least we should make it crystal clear that the Church does not recognize "Episcopalians at large." A former Vestryman told me recently that he had left his old parish because of a disagreement with the Rector and was "just floating around." This is the reason

why we lose some of our people. The Church very definitely intends that all her children should be members of a parish. We cannot prevent some who have been confirmed from becoming homeless, but we can do everything to make it clear that such a condition is absolutely contrary to every wish and desire of Mother Church.

The Diocesan Conference Center, in the first year of operation, was used by our Diocesan Departments and by our Parishes in a manner that serves to indicate the great need filled by this important new facility. The rate of use exceeded expectations for the first year of operation. Charges for the use of the Center have been set at a figure that will not exclude any group wishing to use its facilities. These charges are $5.00 for over-night and three meals and this is well under the charge of other Conference Centers for similar accommodations. These rates mean, however, that the Center operates at a deficit.

At our Vestry Conferences several Vestrymen suggested to me that the rates should be raised. We may have to do this. The Conference Center Committee will give it serious consideration when they have made a study of our first year's operation.

I have had the privilege of being at the Conference Center for a Priests' Retreat, two Conferences for Vestrymen, our Youth Conferences and various other meetings. It is impossible to measure in figures the tremendous return to the Diocese from the operation of our Conference Center. Spiritually and materially the Diocese is benefitting from the use of the Conference Center.

One of the interesting gatherings at the Conference Center was one arranged by the Rev. Charles Lawrence, our Diocesan Secretary for College Work. Some forty-five faculty members from local universities and schools met for an all day Sunday Conference on "Christianity and Our Job." The conference leader was Professor Scott-Craig who is on leave from Dartmouth and is the Executive Chairman for Faculty Work of our National Council's Division of College Work. Next Sunday the second conference for faculty members will be held at the Conference Center, the leader being Professor Casserley of the General Theological Seminary. The topic for this meeting will be "The Ancient Christian Faith and Modern Social Science."

Among the most interesting meetings at the Conference Center have been the Parish Life Conferences. Because so many of the

clergy and their wives have asked for such a Conference for themselves, our Department of Christian Education is planning one for them on May 24-26.

Yesterday, the City Mission began its 86th year of ministry as an agent of the diocese. City Mission was founded by Bishop Stevens to carry on its work in the name of the diocese with the two-fold emphasis on the spiritual and temporal needs of our people. While the basic goals of the City Mission have remained the same, the method of the particular services are constantly being adapted and modified to meet the challenge of new opportunities.

I want to pay special tribute to our present Director, the Rev. Arnold Purdie, for his wise leadership in directing the affairs of the City Mission. He has a Board of Clergy and Laity who render devoted service to the whole work of the City Mission.

Our thanks are rendered to our Diocesan Social Service Department for the able way in which they are handling the refugees. A report will be made to the Convention tomorrow and I am confident that more parishes will respond and agree to act as sponsors.

I hope that the Delegates to this Convention will carry back to their parishes the information which they will gain tomorrow from the report of the Social Service Department and from inquiries which they can make of that Department at the Church House.

The Chairman of the Field Department will present to the Convention tomorrow a plan for the organization of a Department of Promotion which will take care of the present work of the Field Department and the Department of Publicity. This proposal carries with it the setting up of an enlarged staff which will mean an addition of some $15,000 or $20,000 to our Diocesan Budget. I hope that the Delegates will give it serious consideration. At the same time, I want the Delegates to recognize clearly that it will mean an addition to the Diocesan Budget and consequently an addition to the Proportionate Share for each parish and mission. The salary scale for the staff which is proposed will also have to be considered in connection with the salary scale which is now in existence for all those who work in the Church House.

I want to express my great appreciation to Dr. Longley and the Field Department for the work that they have done in the diocese and to say that I believe that, if the plan suggested by Dr. Longley

would be followed out by more parishes, we would be able to do a much more aggressive missionary work in the diocese. I am particularly happy over the growing emphasis which laymen throughout the diocese are making on basing their pledges to their parishes on their income and not on the size of the parish budget. One layman told me that when he considered his pledge to his parish on the basis of the parish budget he thought that he was being very liberal. When he changed and considered his pledge on the basis of his income, he made his pledge several times larger than it had been and he concluded with the remark, "I realize that I am not giving what I should give." I think that his change in attitude is even more significant than the fact that his new pledge is several times larger than the old one.

We began our missionary work in the diocese in 1954 with a budget that had been undersubscribed. Due to the fact that there were some lapsed balances and what was more significant 118 overpaid their missionary share, this enabled the diocese to end the year without any deficit. I cannot say what it means to me personally as well as to me as Bishop to have parishes do this gladly and willingly.

The Builders for Christ Campaign will come to a close at the end of this month. We have paid our quota of $236,258.00 to the National Church. As a matter of fact, we were the first diocese in the Church to do that and I am proud of the fact that you made it possible. We have also paid our $70,000 which was designated for the Conference Center.

At a meeting of the Executive Council on April 15th, it was decided to send to the National Church three-quarters of the estimated overplus or $118,127.00. This has been done and this diocese has, therefore, paid 150% of its quota. The diocese will use the remaining one-quarter of the overplus, if and when it is paid, for advance work in the diocese. If the amount anticipated is received, we will have about $50,000 to help meet our most pressing needs. This will enable the diocese to do its part in building a new church for St. Cyril's, Coatesville. This has been promised to them for many years and is long overdue. It will also enable us to help Grace Church, Hulmeville to enlarge their parish house. This is an immediate necessity to take care of the great increase in population in that vicinity. It will also give us a start toward the building of a parish house at All Saints, Fallsington.

I want to thank Mr. P. Blair Lee as General Chairman and all

the clergy and lay people who so ably assisted him in making this Campaign such a success. The clergy and vestries have supported the Builders for Christ Campaign with a wonderful spirit. I am grateful for the work done by Mr. Ronald J. McCarthy, which enabled us to keep the expenses of the Campaign down to about 2% of the amount raised.

In 1957 the Divinity School in Philadelphia will celebrate its Centennial. While this is not a Diocesan institution and its student body consists of men from 26 dioceses and missionary districts, yet it is a fact that a majority of the clergy of this diocese are graduates of the Philadelphia Divinity School. It is, therefore, of supreme importance to this diocese that this Divinity School be made increasingly strong. The Berkeley Divinity School in connection with its Centennial, is raising a fund of $750,000. I should like to see the Philadelphia Divinity School do the same. This would enable us to build up a stronger and stronger faculty and make other necessary improvements.

Some of us had the privilege last summer of attending the Anglican Congress in Minneapolis. Others in the Diocese attended the meeting of the World Council of Churches at Evanston. Both of these meetings made us realize that we live in two Churches. One is our own parish that we love and in which we worship and work. At the Anglican Congress we realized that we were not only members of the Episcopal Church in the United States of America, but of the great Anglican Communion with its some 40 million members throughout the world. At Evanston, those who attended felt the relationship existing also with our brethren of other Communions.

The Anglican Congress started on the right note and ended on the right note. The Archbishop of Canterbury opened the Congress with a sermon on the familiar text—St. John 8:31-32—"If ye continue in my word, you are truly my disciples, and you will know the truth and the truth will make you free." He emphasized the first part of the text which is so often forgotten. Truth is a moral as well as an intellectual possession. It involves the response of the whole man. It is learned by discipleship. Reason, experience and action, all related to Christ as Lord, are needed if we are to know the truth which sets us free. Jesus is not only the Truth. He is also the Way and the Life. The Archbishop of Dublin closed the Congress with a sermon on the subject, "The Importance of being a Christian parish." He said that

the Congress would be of no lasting value unless we translated the insights gained there into the life of our parishes where we live, worship and work. The Anglican Congress said in its message, "We appeal to all the Churches of the Anglican Communion to strengthen their support of the Ecumenical Movement and to promote common action and the furthering of unity among Christians of different communions in their own local areas."

The World Council at Evanston declared that the primary task is at the local level, "Our coming together as a World Council is in vain unless Christians and Christian congregations everywhere commit themselves to the Lord of the Church in a new effort to seek together, where they live, to be His witnesses and servants among their neighbors."

I think that the Philadelphia Council of Churches is doing a good work and I am very glad that many of our Clergy and laymen are active in that Council. Past Conventions have recognized the importance of the Philadelphia Council of Churches. I do not think it is very realistic to expect our parishes and missions to give any appreciable support through their parish budgets. I think it would be more effective if we commend the work to our lay people for their individual financial support.

When I think of our great opportunities in this Diocese at the present time, the words of our Lord come home to me with renewed force—"Everyone to whom much is given, of him will much be required"—St. Luke 12:48. Great gifts and opportunities carry heavy responsibility in the stewardship of life. Are we ready, for Christ's sake, to do more than our share? Are we ready to give in the service of Christ and His Church time and resources and influence? If so, the greatness of this Diocese lies not in the past but in the future.

The Standing Committee gave its consent to and authorized the Church Foundation, representing the Diocese of Pennsylvania, to place a construction loan of $25,000 and a real estate mortgage, secured by the property of St. Philip-in-the-Fields Mission, Oreland, of $75,000, totaling $100,000, it being understood that the construction cost, including architect fees, is not to exceed $150,000, and further understood that the Diocese of Pennsylvania is to be represented on the Building Committee in equal number with the members of the Mission.

The Standing Committee gave its consent to St. Augustine's Church, Philadelphia, to sell the property located at 2026 W. Columbia Avenue, and transfer its work to the building and grounds at 27th Street and Girard Avenue, heretofore known as the Church of the Covenant; and to improve the buildings and grounds of the new site with funds received from the sale of said property, in consultation with the Property Committee of the Executive Council, it being understood that the balance of funds, if any, be placed with the Church Foundation. The Standing Committee also gave its consent to the Church of the Covenant to transfer its property to the Church Foundation.

The Standing Committee gave its consent to St. Peter's Church, Glenside, to raze the present Church building and to erect a new Church on the same site; and to secure a construction loan not to exceed $100,000 for the new building.

The Standing Committee gave its consent to the Church of the Holy Sacrament, Highland Park, to the sale of its property located at 6 South Cedar Lane, Highland Park, for the appraised price of $7,000, the proceeds of the sale to be applied toward reduction of the mortgage balance on the present rectory.

The Standing Committee gave its consent to Calvary Church, Northern Liberties, to place a mortgage of $4,800 upon the present rectory, for the purpose of converting said rectory into three apartment units.

The Standing Committee gave its consent to All Saints Church, Wynnewood, to sell its property located at 1334 Montgomery Avenue, Wynnewood, for $30,000, the proceeds of the sale to be used in part payment of the existing mortgage on the new Parish House.

The Standing Committee gave its approval to a Resolution concerning St. James' Church, Green Ridge, adopted by the Department of Finance and Executive Council on October 8, 1954, which recommended: (1) That a loan of $500 be made for immediate repairs on St. James' rectory; (2) that the rectory at 87 Seward Lane, Green Ridge, be sold; (3) that a loan of $4,300 be made to St. James' Church to recondition the Parish House; (4) that these two loans be repaid from the proceeds of the sale of the property at 87 Seward Lane; (5) that the balance from the sale of property, after repayment of the loans, be placed in the Church Foundation as a building fund for St. James' Church.

APPENDIX G

REPORT OF THE TREASURER OF THE DIOCESE FOR THE YEAR 1954

The report of the treasurer of the Diocese of Pennsylvania is submitted herewith. The figures are in greater detail than the audit prepared from the Diocesan books of account and records, by Charles S. Rockey & Co., a copy of which is available for examination at the Church House.

Once again we have been able to close the year with all bills paid and with a fulfilled pledge of $287,171 to the National Council. Such a record has been made possible only by the generous self-sacrificial over-payment by 118 churches and missions of their accepted proportionate shares to the extent of $17,685. Eleven parishes and missions failed, by $6,175, to meet their proportionate shares, two less than in 1953 and eight less than 1952. This is encouraging. Furthermore, since the close of books, $905 additional has been collected, reducing the number to ten.

Because of the drafts on unallocated missionary funds in 1953 for loans and new construction, a conservative policy was followed in 1954. It is a pleasure to record that St. Peters, Broomall, and St. Paul, Levittown, paid $7000, and $4000, respectively, on account of loans made in 1953. St. Thomas, West Philadelphia, has continued remittances intended eventually to extinguish the loan $40,000 made to assist its rebuilding program, the balance due the Diocese now standing at $27,547.

The accounting staff at the Church House has accepted cheerfully and willingly additional burdens occasioned by such activities as the active operation of the Conference Center and the "Builders for Christ" campaign. It is not always understood how much bookkeeping efforts of this nature involve. The Diocese owes a debt to their hardworking staff. The treasurer and assistant treasurer here record personal thanks for the support given them.

Respectfully submitted,

FREDERICK R. DRAYTON, *Treasurer*

EDWARD M. MANN, *Ass't Treasurer*

DEPARTMENT OF FINANCE, PROPERTY AND PROMOTION

REPORT OF THE DEPARTMENT OF FINANCE

The Department of Finance met bi-monthly except during the summer of 1954 and gave constant thought and study to the many financial problems confronting the Diocese throughout the year.

The Department of Property and the Department of Promotion are sub departments under Finance. Their Reports are separate.

The Committee on Financial Safeguards, a sub-committee of the Department of Finance, meets at the call of the chair and its report will be found elsewhere in the JOURNAL.

The Department notes with pleasure that all bills of the Diocese and its Expectation to the National Council for 1954, have been paid in full. The Diocese had accepted the $287,171.00 assigned by the National Council.

The Treasurer's Report is most gratifying showing the breakdown of the "Givings." Mr. Drayton, Treasurer, and Mr. Mann, Assistant Treasurer, give personal interest to the Finances of the Diocese and is helpful in the discussions which take place at the meetings of the Department.

During the past year a campaign was conducted under the title "Builders for Christ." This campaign has been very successful and the Committee hopes to conclude its work in May, 1955. A full report will be made next year.

The Chairman expresses his appreciation to the officers of the Diocese and the members of the Department for their splendid cooperation during the past year.

EDWARD B. CLAY,
Chairman

REPORT OF THE COMMITTEE ON FINANCIAL SAFEGUARDS

In the case of the Annual Audit of Parish Records, Charles S. Rockey & Co. have a procedure which includes a copy of their reports to be sent to the Secretary of the Diocese.

Several other firms of Certified Public Accountants, do the same, but there is no uniformity to this practice.

Also there appears to be no standard form of reporting on such an important detail as to whether the responsible officers are adequately bonded.

It would be highly desirable for the firm of Accountants you employ for your annual audit, to have available for their use, the Book of Canons and particularly Canon *XVI*.

Every paragraph of this Canon is of vital importance to all Parishes and Missions. The members of your Parish, in addition to the knowledge that the finances of their Church are being properly handled, also want to know that safeguards set up by the General Church are being observed in full.

A check of the 1953 replies indicated 40 Parishes and Missions where no precautions are taken to bond responsible persons.

All Mission properties are kept adequately insured against fire, windstorm and vandalism, but there are several Parishes where adequate insurance protection is not carried.

Within the past week a Parish with Real Property valued at approximately $300,000.00 carried but $90,000.00 fire insurance. You can appreciate that a bad fire would have been disastrous. It would be desirable for members of your Parish to know of this condition, if only to protect yourselves and again it is quite likely steps would be worked out to correct this condition if it were generally known.

Accountants particularly are calling our attention this year to observance of Paragraphs 1 and 2 of Section 1 Canon *XVI* pertaining to the handling of Trust and Permanent Funds as well as all Securities.

An annual review of all of these pertinent details of your Trusteeship as Vestrymen is highly desirable.

The Committee wishes to extend their thanks to Accounting Wardens and Treasurers for their valuable cooperation in 1954.

EDWARD B. CLAY
Chairman

REPORT OF THE DEPARTMENT OF PROPERTY

We met with the Rector and Vestry of Advent, Hatboro and one of our committee of architects to help them with plans for expansion. We cooperated with St. John, Concord in making plans for a new rectory until they became a Parish and took over for themselves. Frequent meetings were held with the Rector and Vestry of St. Philips-in-the-Fields, Oreland and our architects committee about their new church. A house was purchased at Fairless Hills for the Vicar at Fallsington and leases negotiated at St. Paul, Edgely and St. Barnabas, Kensington.

A plan for the remodeling of the Rectory for St. James', Green Ridge was worked out and details of the sale of the temporary Rectory at 87 Seward Lane were initiated. We inspected the School House that the Mission of Good Shepherd, Hilltown planned to buy, and approved the purchase. St. Augustine's Church was appraised by two of our committee looking toward the sale of the property before the combination with the Church of the Covenant and assistance was given in the erection of the new Rectory at St. John The Evangelist, Essington. A great deal of work was done by our Engineers and other committee members in making alterations and repairs at the following places:

Advent, Polish
All Souls for the Deaf
Christ, Eddington
Epiphany, Royersford
St. Anne, Willow Grove
St. Barnabas, Kensington
St. Elisabeth, Philadelphia
St. James, Prospect Park
St. Mary, Warwick

The Church House was maintained in good repair.

RONALD J. MCCARTHY
Chairman Property Committee

REPORT OF THE DEPARTMENT OF PUBLICITY

The Department of Publicity held numerous meetings during the year in an effort to develop a more effective publicity program for the Diocese.

It was felt the Department could be instrumental in promoting the publicity work in individual parishes and helping to promote activities within the Diocese.

The public relations, promotional and publicity methods of other Dioceses were studied with views to adapting some of this material for use in this Diocese.

The circulation of The Church News has continued to steadily increase and the Department has proposed no change in this publication.

It was the concensus of opinion that the work of the Diocese could best be served by expanding the work of the Field Department and Publicity Department into one group with a much broader program than has before been attempted.

GEORGE W. KINDON
Chairman of Publicity Department

REPORT OF THE FIELD DEPARTMENT

Your present Chairman of the Field Department of the Diocese of Pennsylvania assumed his responsibilities in June, 1954.

During the latter half of 1954, the Field Department has been in the process of re-orgainzation. One important step has been the separation of the Presiding Bishop's Committee for Laymen's Work from the Field Department, so that the two groups might operate independently in varied fields, while still being helpful to each other.

Also, as a result of the meeting held at the Conference Center, attended by Bishop Hart, the Chairman of the Department of Promotion of the National Council, and twenty-five others from the Publicity and Field Departments, steps are now being taken to establish a separate Department of Promotion, which will include Divisions of Publicity, Public Relations, and Stewardship. A revised Canon enabling the creation of such a Diocesan Department will be presented to the Convention of the Diocese in May, 1955.

In the meantime, six Convocational meetings, attended by approximately three hundred people, were held in October, 1954, in preparation for the Every Member Canvass.

Your Chairman addressed sixteen parish groups during the fall. Promotional material was distributed to the parishes of the Diocese.

Chairman of the Field Department

DEPARTMENT OF MISSIONS AND CHURCH EXTENSION

REPORT OF THE DEPARTMENT OF MISSIONS

The year 1954 has been a busy year for the Missions of the Diocese. There have been many changes in personnel, necessary repairs have been made to many mission properties and there has been a great deal of building in the Diocese. Following are some of the highlights of the year:

St. Paul's, Edgely-Levittown was completed and Consecrated. The Woman's Auxiliary of the Convocation of Germantown provided funds for the purchase of cathedral chairs for this mission.

Trinity, Solebury, was granted parish status. The Rev. G. Crofton Thompson resigned as Vicar of St. George's Mission, Richmond, and became Rector of this new parish.

New boilers and an oil burner unit were installed at St. Ambrose Mission.

The electric system of the organ at St. Mark's, Honey Brook, was completely overhauled

Storm windows were installed at Christ Church, Eddington.

The Rev. James G. Ludwig, III was appointed Vicar of Trinity Mission, Gulph Mills.

St. John's, Concord, was granted parish status. The parish was given permission to make a bank loan to enable them to build a new rectory. The Rev. Edward W. Battin is Rector.

Dr. Morton DeC. Nachlas was appointed Lay Reader-in-Charge of St. James', Green Ridge. Consent was given for the present rectory to be sold and for a parish building to be renovated for a rectory.

The Rev. Robert T. Holt was appointed Vicar of Grace, Hulmeville.

Mr. Arthur Brunner was appointed to be in charge of St. Barnabas', 3rd and Dauphin Streets, under the direction of the Rev. W. Hamilton Aulenbach.

A vicarage was purchased in Fairless Hills for the Vicar of All Saints', Fallsington, the Rev. Daniel B. Stevick.

The heating system of St. John's Mission, Essington, was rebuilt and converted from steam to hot water.

St. Thomas', Whitemarsh, made a contribution of $6,000 for the purchase of the school house at Hilltown where the Good Shepherd Mission is holding services.

At St. Andrew's, Belmont Hills (formerly known as West Manayunk) necessary repairs were made to the roof and the interior was painted.

Extensive repairs were made to the walls of Epiphany Mission, Royersford. It was necessary to completely rebuild sections.

The heating plant, including the boiler, was completely rebuilt at St. Elisabeth's.

The Rev. Paul M. Washington, recently returned from Liberia, was appointed Vicar of St. Cyprian's Mission.

Mr. Ralph K. Rogers was appointed Seminarian-in-Charge of St. Titus Mission. The mission has done a great deal of painting and improving of their building. The Woman's Auxiliary of the Convocation of West Philadelphia paid for the improvements to the vicarage.

Advent Mission (Polish) suffered fire damage and extensive repairs were necessary. These repairs were, in large part, made by the Vicar, Father Bak, with the help of the men of the congregation.

Hurricane "Hazel" caused some degree of damage to all of the following missions: St. Andrew's, West Vincent; Holy Redeemer (Polish); St. George's, Richmond; St. Elisabeth's; St. Barnabas', Kensington; St. Paul's Edgely-Levittown; St. Peter's Broomall and St. James', Green Ridge.

Two faithful members of the Department died. They were Mrs. John E. Hill and Mr. Alfred Bratton.

REPORT OF THE CONVOCATION OF CHESTER

Due to the excellent work of the vicars and ministers in charge of our missions in this Convocation, we are looking back on 1954 as the year of achievement and accomplishment.

Ascension, Parkersburg — the work here is being done by a Lay Reader, Mr. Alfred W. Degerberg. There has not been any signs of growth or development here for some time, which is mainly due to the location of the building and the apparent lack of Episcopalians. We are continuing to watch this mission in determining its future.

Ascension, West Chester — under the leadership of the Rev. Albion Ferrell. The five year tenure of the Vicar, the longest in the history of the mission, has done much to stabilize the mission. Work on the vicarage has been completed and the church painted. It is expected that the next may be the mission's largest Confirmation Class.

St. Alban's, Newtown Square — It is always wonderful to see a mission reach a point where it can apply for parish status. This was the case of St. Alban's which assumed parish status at the Diocesan Convention.. The Rev. William A. Powel, who had been the Vicar, was instituted on November 22 as the first Rector of this parish. We congratulate him and his congregation and feel that as a parish they have great promise and future.

St. Anderw's, Belmont Hills — The Lay Reader in Charge, Mr. Harry Shelly has done an excellent piece of work during the two years that he has now been at St. Andrew's. The attendance has been steadily increasing and the parish was able to present thirteen candidates to the Bishop for confirmation. The Church School now has an enrollment of 72 with an average attendance of 55.

A new roof was put on the building, part of which expense was paid for by the congregation. A new oil burner was installed in the vicarage, the expense of which was met by the mission. One of the acute problems of this mission is the short tenure of vicars; there having been nine since 1940.

St. Andrew's, West Vincent — It is inspiring to watch the life and activity of this mission. The building fund for $40,000 was oversubscribed. The mortgage on the vicarge has been paid off and plans for a new parish house have been submitted. The Rev. Kenneth C. Werner, the Vicar, and his congregation indeed are doing a wonderful piece of work.

St. Cyril's, Coatesville —the Rev. Albion Ferrell. The congregation has been discouraged by the physical condition of their church and by the problem arising from the Vicar's necessity to divide his responsibilities between here and West Chester. $4,000 toward rebuilding has been pledged by the Woman's Auxiliary over the next two years.

St. James, Green Ridge — Dr. Morton DeC. Nachlas is the Layreader in Charge of St. James. He started his ministry there during the Summer and the work is progressing very nicely. A response to the Every Member Canvass has been most encouraging and an enlarged budget has been set up. Dr. Nachlas has moved back to the old rectory, which has been completely renovated. The vicarage on Seward Lane has been sold. The Rev. Mr. Dutton, the Vicar of St. Luke's Chapel in Highland Gardens, is helping this mission by conducting the communion services regularly.

St. John's, Compass and St. Mark's, Honeybrook are being ministered to by the Rev. Harris E. Baldwin. The properties are in excellent condition. The population is trending toward a greater influx of Amish and Mennonites, so at the present time there is no indication of rapid growth in what is chiefly an agricultural section. Yet the Parishes are active and making great contributions to the spiritual life of their communities.

St. John's, Concord — has been changed from mission status to aided parish status and while it is no longer under the jurisdiction of the Dean of the Convocation we cannot help but feel that is was a wise move to give this parish a full time service of a resident clergyman and the growth of this church during the last year has fully justified our decision.

St. John's, Essington — this mission is going forward wonderfully under the able leadership of the Rev. Harry R. Johnson, Jr. A new rectory has been completed at the cost of $15,000. Much of the work was done by the members of the parish. The mission now has undertaken to take care of $2,400 of the Vicar's salary, plus pension premiums and expect to absorb the full salary in the near future. We feel that it will not be long before St. John's will be able to apply for parish status.

St. Luke's, Eddystone — This mission is now being ministered to by Mr. Richard Chapin who came here in the Fall of the year. Rain gutters have been replaced, storm sash and screen for the rectory have been installed, floors have been repaired. All of these improvements have been paid by the mission. The former Vicar, the Rev. Harry R. Johnson, Jr., is still helping out in administering the sacraments to this parish.

St. Mary's, Chester — The Rev. Charles E. Miller. The physical appearance of the property has been improved through grading of the lawn, planting of shrubbery and lighting of the church cross.

St. Mary's, Warwick — While we cannot report much growth in this mission this has been a year in which we have placed much effort in putting the buildings in good shape. A new oil burner has been installed and extensive repairs are being made on the buildings. The Rev. Mr. Werner, the Vicar of St. Anderw's, West Vincent, serves this mission also.

St. Martin's, Marcus Hook — What more can we say than that the Rev. Melvin M. Heckler is the Vicar of this historic Parish? The sincerity and the devotion he radiates keeps St. Martin moving along quietly but steadfastly. During the year the organ was repaired and the buildings were repainted and these repairs were paid for by the congregation. At Convocation meetings St. Martin's Church is not too much discussed because we know and feel that all is well in Marcus Hook.

St. Peter's, Broomall — This mission is in one of the most rapidly growing areas in the Convocation. Thirty persons were confirmed, twenty Baptisms were performed and 150 now are enrolled in the Church School. This mission has assumed $300 more of the Rev. Vernon Matthews salary and is now paying $2550 towards it.

In closing this report I want to express my sincere thanks to the

Secretary and Treasurer, Mr. John A. Eiseman, who so unselfishly continues to give of his time and talent for the good of the Convocation; to the Rev. John H. Hauser, Chairman of the Committee on New Sites, upon whose suggestion we are experimenting a new work in Oxford, where the Rev. Mr. St. Clair has a Communion Service once a month; to Mr. Francis R. Austin, the Chairman of the Property Committee, and his Committee, we are indebted to for investigating and recommending repairs and alterations to our mission properties; to Mr. Freas B. Synder, the Chairman of the Reference Committee, who with his Committee, is always ready and anxious to study any particular problem that might be presented to the Dean.

Last, but not least, we want to mention the excellent work of the Woman's Auxiliary of the Convocation. They continue to be a tremendous inspiration. Their devotion, generosity and loyalty is continually felt in the Convocation of Chester.

PRESIDENT'S MESSAGE

The 1954 meetings of the Woman's Auxiliary of the Convocation of Chester were well attended, with 321 present at the Spring Meeting at the Church of the Holy Comforter, Aronomink, on May 20th, and 280 persons present at the Fall Meeting held on October 28th at Christ Church, Media.

Bishop Hart gave us stimulating and informative talks at these meetings, which made us aware that we are all responsible members of the great family of the Church. Reports from our representatives to the various departments of the Pennsylvania Branch of the Woman's Auxiliary, were heard. These reports are carried back by the delegates to their parishes with the idea of strengthening woman's work within the Convocation. Dean Van der Hiel has kept us informed of the progress of the work of the Missions and urged us to go steadily forward, prepared to face new projects.

Our pledge of $2,000.00 to St. John's Mission, Essington, was completed at the Spring Meeting. A motion was passed that we pledge $5,000.00 during the next two years, $4,000.00 for the furnishings and equipment for St. Cyril's Mission in Coatesville, and $1,000.00 to be placed in the Emergency Fund. The Rev. H. Albion Ferrell told us of the work at St. Cyril's and thanked us for our help and encouragement. There is a real need for each Parish Branch of the Woman's Auxiliary to renew its efforts toward the accomplishment of our purpose.

At the Spring Meeting two new officers were elected as President and Treasurer. We take this opportunity to express our sincere appreciation to Mrs. Hoffman and Miss Gibbons for their many years of faithful and devoted service to the Convocation of Chester. The afternoon speaker was Miss Gladys Falshaw of Calvary Church, New York City, who told us of her twenty years experience among the untouchables in India. Mrs. Harold Kelleran, Executive Secretary of the Department of Christian Education of the Diocese of Washington, spoke on the "Frontier Work of the Women of the Church" at our Fall meeting. Her talk was inspiring and filled with constructive realism.

We are most grateful to the Churches who invite us to meet with them and we appreciate their delightful and gracious hospitality.

CONVOCATION OF GERMANTOWN

At a meeting of the Executive Committee of the Convocation of Germantown held in January of this year, 1955, the rapid growth population and housing in the northwestern section of the Convocation was discussed. It is doubtful whether there is any other area in the United States, or in the world for that matter, where there has been such rapid growth. The Church faces an opportunity and a responsibility so great and so sudden that it may be likened to an emergency. In the opinion of the Executive Committee this emergency cannot adequately be met by the Convocation alone or even by the Diocese alone, but should be considered as a necessary and justifiable claim upon the financial resources of the National Church. The thought of the Committee will be brought to the meeting of Convocation in April in the form of a resolution, which if approved will be presented for consideration and it is hoped action, by the Diocesan Convention.

As may be seen elsewhere in this report, St. Paul's, Edgely, Levittown, has in one year increased in Communicant strength from 170 to 354 and the Church School from 149 to 345. It will not be long before another Church will be needed in that area. Christ Church, Eddington, is already beginning to feel the pressure of an increased population surrounding it. Money is needed right now for the expansion of the parish house and for the purchase of a site either for the present Church or for the establishment of an additional Church in the area.

All Saints, Fallsington, and Grace Church, Hulmeville, each with a full time vicar are now in a position to extend their services in what will soon be a rapidly growing community. Both of these Churches will need substantial help from the Diocese in the coming year if they are to meet the opportunities already at their doors.

St. Andrew's Church, Somerton, is showing steady progress. Confirmations, number of Communicants and Church School enrollment are all considerably above last year. A piece of property has been purchased across the road from the Church and plans are in progress for the erection of a rectory on this new site. Meanwhile the Church is repaying its debt to the Diocese at the rate of $2750.00 a year.

While the Convocation has reason to be proud of the work now being done through its missionary endeavor, it is evident that this represents only a small fraction of what might be done with adequate financial support from the Diocese and from the General Church.

Two meetings of Convocation were held during the year, the first on May 18th was held at St. Paul's Edgely-Levittown. A service of Holy Communion was celebrated in the new Church at 11:00 A.M., after which the Rev. Ernest A. de Bordenave spoke on Juvenile Delinquency and practical steps which the Church might take to correct it. The program of the Boy Scouts of America was explained by a member of the National Committee. The luncheon meeting was addressed by Bishop Armstrong and reports were received from the various vicars. The second meeting was held at St. Bartholomew's, Wissinoming, on October 12th. Mr. Federico Mauck spoke about value of retreats for laymen, and Mr. Willis Browning reported on the Anglican Congress, illustrating his talk with colored lantern slides.

The following changes have taken place in the Convocation during the past year. The Rev. Edward H. Vogt, Rector of St. Peter's Church for thirty-one years, retired because of ill health. His presence is greatly missed by his many friends in the Convocation and in the Diocese. He was succeeded on January 1st of this year by the Rev. Warren H. Davis, Jr. The Rev. Donald A. Wiley resigned as Rector of St. David's, Manayunk, to become Rector of St. Luke's, Newtown. He has been succeeded by the Rev. Harold O. Boon. The Rev. Edwin A. Garett, III, resigned as Rector of St. Martin's, Oak Lane, to go to the Diocese of Harrisburg. The Rev. Charles B. Mauck has become Vicar in his place. The Rev. Walter N. Malone resigned as Rector of Trinity Church, Solebury, to become Vicar of Huntingdon Valley Memorial Chapel. He has been succeeded by the Rev. G. Crofton Thompson, formerly Vicar of St. George's, Richmond. The Rev. Kenneth R. Johnson has become Rector of Zion Church. The Rev. Daniel B. Stevick resigned as Vicar of Grace Church, Hulmeville, in order to give full time as Vicar of All Saints, Fallsington. The Rev. Robert T. Holt became Vicar of Grace Church, Hulmeville. The Rev. John F. Leser resigned as Curate of St. Martin-in-the-Fields to become Rector of St. Paul's, Oaks, Pa., and the Rev. Conrad H. Goodwin, Jr. resigned as Curate of St. Paul's, Chestnut Hill, to accept a call

to the Diocese of Easton, and the Rev. William Vaughn Ischie, Jr. resigned as Curate of Christ Church and St. Michael's to become Rector of Christ Church, Franklinville. The Rev. Stanley E. Johnson has become Curate of St. Martin-in-the-Fields, and the Rev. Joseph N. Leo, Jr. Curate at the Church of the Good Shepherd, Germantown.

Again we thank the officers and members of the Woman's Auxiliary to the Convocation for their loyalty and continued support in carrying on the work of the Convocation. A report of their activities appears separately.

THE WOMAN'S AUXILIARY OF THE CONVOCATION OF GERMANTOWN

Below are the four stated meetings held by the Woman's Auxiliary of the Convocation of Germantown:

Educational Day — Tuesday, January 19th, at St. Luke's Church, Germantown. Speaker—Mrs. Harold Kelleran, Director of Christian Education in the Diocese of Washington.

Devotional Day — Tuesday, March 16th, at St. Peter's Church, Germantown. Preceding the afternoon session, there was a Celebration of the Holy Communion followed by a Meditation on the "Song of Mary," given by Mrs. Welsh Strawbridge.

Annual Meeting — Tuesday, May 18th, at St. Paul's, Edgely-Levittown. After the eleven o'clock Communion Service, with Bishop Armstrong as Celebrant, there were addresses by the Rev. Ernest De Bordenave, on the subject of Juvenile Delinquency, and by Dean Trowbridge.

The Rev. Lee Richards of St. Andrew's-in-the-Field, Somerton, spoke about the new curriculum material for Church Schools and its preliminary introduction for lay people at the Diocesan Conference Center.

Fall Meeting — Tuesday, October 12th, at St. Bartholomew's Church, Wissinoming. At this meeting, Bishop Armstrong spoke of the vast industrial expansion in Delaware Valley, making the Diocese of Pennsylvania one of the most active in America.

Rev. DeMeester of Christ Church, Eddington, and Mr. Lesher, a layman, spoke of developments in that area.

Garden Day — Tuesday, June 8th, held at "Druim Muir" (Houston Estate) Chestnut Hill; now the new church home for retired clergy and wives. Under the capable chairmanship of Mrs. Ellen Rodgers and the splendid cooperation of our women, net returns were indeed gratifying.

During 1954 we had the pleasure of purchasing chairs with kneelers for St. Paul's, Edgely-Levittown.

For a complete accounting of our finances, we refer you to the Treasurer's Report.

Thank you members of Germantown Convocation, thank you one and all for your interest and cooperation. We face the future with faith and power as we continue to build the "King's Highway."

REPORT OF THE CONVOCATION OF NORRISTOWN

The report that follows is a report of the convocation and its growth during the year under the leadership of the Rev Frederic R. Murray. The present dean is happy to make this report of the accomplishments of the convocation under his fine leadership.

Trinity Church, Gulph Mills has experienced a new growth under the twin stimulus of the leadership of the Rev. James G. Ludwig and the many people who are moving into the neighborhood, because of the development around the entrance to the turnpike. We begin to feel that there is a real opportunity at last for this mission to become a fine parish.

Epiphany Church, Royersford is showing real promise. Mr. Harold C. Kellogg, the lay reader, and the people are putting forth a fine effort and when the walls of the church and the rectory are repaired, the mission should show a real growth.

St. Philip-in-the-Fields, Oreland is full of people beyond its capacity, and it is still growing. The Rev. Joseph Tatnall and the people deserve our congratulations and thanks for the campaign they conducted and the results which it has produced. The highlight of the year was the breaking of ground for the much needed church building and we hope that they will soon be worshipping in the fine new building.

Emmanuel Church, Quakertown, has shown itself equal to the task of expansion, and under the leadership of the Rev. Richard K. Bauder, who came to the mission at Christmas time, it will undoubtedly grow.

Saint Anne, Willow Grove is showing an expansion of its activities and growth of its communicant strength. The Rev. Harold A. Hopkins reports that he and his people are going steadily forward in their campaign to become a parish. For the coming year they are assuming $400.00 additional of the Vicar's salary.

The Church of the Good Shepherd, Hilltown, our baby mission, is flourishing under the leadership of the Rev. Dr. Nathanael B. Groton. They have purchased the school building in which they were meeting and have made some repairs and improvements which make it a very nice start toward a very attractive church biulding. The people are to be congratulated on their efforts and the results they have achieved.

Our missions have made a very good year of 1954, and the time is near when some of them will become parishes, thanks tc their own efforts.

No report of the convocation would be complete without high praise and hearty thanks to the Woman's Auxiliary. They work untiringly and with real joy and interest to help our missions help themselves.

Dean

WOMAN'S AUXILIARY OF THE CONVOCATION OF NORRISTOWN

Norristown Convocation held two regular meetings and two Education Days. The two regular meetings were well attended—an average of 150 women present each time. In May at St. Paul's Church, Oaks our pledge of $1,000 for Trinity Mission, Gulph Mills was fulfilled. In October, at Church of Our Saviour, Jenkintown we pledged $1,000 or more to Epiphany Mission, Royersford for repairing the organ.

The Vicars presented their reports during the morning session. The afternoon sessions were devoted to the Auxiliary. In May our program was designed to show the relationship between the Convocation and the Diocese. In October, Miss Corrie Ten Boom of Holland brought us an inspiring message on Christian Living. A resolution was made expressing the convocation's regret that Dean Murray was leaving.

CONVOCATION OF NORTH PHILADELPHIA

The May meeting of the Convocation was held at the Church of the Resurrection, Broad and Tioga Sts. The retiring, Dr. Arthur Murray was the gracious host. The convocation was unanimous in their expression of sincere appreciation for the years of fine and faithful service which Dr. Murray gave to this area of the Church's work. The October meeting was held at The Church of The Good Shepherd, Cumberland and Collins Sts., the home parish of the newly elected Dean.

The ladies of the Convocation joined the men at this latter meeting to hear reports of activities and interesting developments in the Parishes and Missions. Among these was the announcement of the proposed merger of St. Augustine's and The Covenant. By the time this report is printed St. Augustine's will have moved into the renovated buildings at 27th and Girard Avenue.

Holy Redeemer on Richmond St. now has its new Church. It was dedicated by Bishop Hart at a service where there was standing room only. It is a beautiful building. Mr. Bak. and a group of loyal men did all the work themselves.

Advent Mission on York Avenue suffered in a damaging fire. Fortunately the insurance will cover the rebuilding which again is being directed by Mr. Bak. This Mission will become the center for a new inter-racial work in that area.

St. Barnabas is now under the direction of the Rector of Christ Church and St. Michael's.

Several men have left our Convocation. The Rev. George C. Thompson has gone to Solebury, leaving St. George's Richmond vacant. Mr. Thompson did very fine work at St. George's. The Rector of Christ Church, the Rev. E. A. de Bordenave has gone back to Virginia. The Rev. Warren Davis, Chaplain of the Seamen's Institute has gone to Germantown.

We welcome two new men into our group. The Rev. Wm. Loane is now Rector of St. Simeon's Church. The Rev. Wm. Ischie has been installed the Rector of Christ Church, Franklinville.

Two scholarships to the Youth Conference were again offered. One was used.

We extend to the women of our Convocation our sincere thanks for their continued interest and loyal support.

WOMAN'S AID TO NORTH PHILADELPHIA CONVOCATION

The first meeting was held January 12th, 1954, at the Church of the Advocate, 18th and Diamond Streets. Rev. John R. Hart spoke to us in the morning on "United Nations," and after lunch Mrs. Edward Platts presented a panel on "Spanish Speaking Americans."

On January 20th, a card party was held in the Community House of St. Stephen's Church.

Quiet Day was held on March 9th, at Church of St. James the Less, conducted by Rev. Emmett P. Paige. It was very helpful and inspiring.

On May 11th, a meeting was held at Church of the Resurrection. Rt. Rev. Andrew Y. Y. Tsu was our speaker. We joined the men for services in the church, and then enjoyed a delicious dinner.

The Fall meeting was held October 12th, at Church of Good Shepherd, Kensington. Mrs. Edward Parnum and Mr. Thomas Higgons spoke to us about "Friends of Divinity School." Many of us enrolled as members. We joined the men for services in the church and then dinner.

November 9th, a meeting was held at Church of St. James the Less. Miss Frances Talbot and Mrs. A. L. M. Worthey were our speakers.

THE CONVOCATION OF SOUTH PHILADELPHIA

The churches of the Convocation of South Philadelphia are doing good work in their respective communities, aiding substantially in the Builders For Christ Campaign and in the missionary work of the General Church.

We have had two successful meetings during the past year, with gratifying attendances. The Fall meeting was held at St. John the Evangelist, which was celebrating its 100th Anniversary. We congratulate the congregation and its Rector, the Rev. Charles H. Urban, and wish for them many more years of active service for the Lord. The Spring meeting was held in Old St. Peter's Parish, where we met the new Rector, the Rev. Francis B. Rhein. The Rev. Harry S. Longley, D.D., gave a very interesting report on the Ecumenical Council, which met in Minneapolis, Minn.

We congratulate the Rector, Dr. James Da C. Harewood, and the congregation of St. Philip's Church, which was granted the status of a Parish at the Diocesan Convention held in May, 1954. We trust that this Parish will continue to grow and do effective work among the people in the neighborhood.

St. Elizabeth's Mission, under the leadership of its Vicar, the Rev. Theron A. Vallee, installed a new oil burner and made other necessary repairs to the church property. The mission is actively interested in the work of the Church in its community.

We regret the loss of the Rev. Allen Evans, D.D., S.T.D., from among the clergy of the Convocation. Dr. Evans resigned as Rector of Old St. Peter's Church on account of ill health. We are very sorry to report the tragic death of the Missionary Assistant of St. Peter's, the Rev. Benjamin Bissel, Ph.D.

We were glad to welcome to the Convocation the Rev. Charles H. Urban, as Rector of St. John the Evangelist, and the Rev. Francis B. Rhein, as Rector of Old St Peter's Church, and the Rev. Edward C. McCoy, Assistant at St. Mark's.

Two scholarships were voted for the Young People's Conference.

The analysis of the survey is completed. Mr. John Halko, Director of the Research Department of the Council of Churches, has reported that the survey shows that the communicant membership declined at the rate of 103 per 1000 between 1935 and 1953; and at the rate of 27% per thousand between 1950 and 1953. The Church School enrollment dropped at the rate of 574 for each 1000 registered between 1935 and 1953; 12 pupils per 1000 between 1950 and 1953. The major losses occurred in white churches, due to families moving away.

The budgets, in contrast, increased while communicant membership declined. The average mission budget in the Parish was $228.00 in 1935; $976.00 in 1953.

We are grateful to the officers and members of the Woman's Aid to the Convocation for their continued loyalty and co-operation in the work of the Convocation.

REPORT OF THE WOMAN'S AID TO THE CONVOCATION OF SOUTH PHILADELPHIA

Our group, though small in numbers, is characterized by a warm fellowship which is born of mutual problems and geographical nearness, together with long association and friendships. We cherish this phase of our program and foster it at every turn. Our members have displayed an ever-present spirit to help where help is needed as the following report will prove.

At our January Educational meeting a resolution was spread upon our books, copy of which was sent to the family of Lea Farmer Hill, regarding the passing of our late beloved President, upon her entrance into the larger life. Arrangements were made to revere her name by placing it in the Book of Remembrance.

Speakers included Mrs. Trudeau, who addressed us on behalf of Windham House to which we alloted ten dollars toward a yearly scholarship for a woman church worker student.

Dr. West spoke on the Children's Bureau of the P. E. City Mission to which we alloted $25.

Our Educational Secretary, Mrs. Walter Haushalter, was the afternoon speaker, and ably reviewed for us Charles Ransom's book, "That the World May Know."

The May Meeting was held at St. John the Evangelist, where we had the pleasure of greeting and being greeted by the new rector — Mr. Charles Urban.

Chaplain Arthur Elcombe, of the Episcopal Hospital gave us a talk on his work at that institution, which was in the midst of raising a building fund. It was voted to give $25 to the purpose, with the possibility of giving more, should funds permit in the Autumn. Daily Vacation Bible Schools were helped as previously by us offering to give a grant to any parish asking for it. We raised our amount to $35. The following parishes were helped: St. Phillip's, St. Simon's, Gloria Dei, and St. Elizabeth's, the last named returning their allotment, when they found they could finance themselves.

We also gave a token gift of $10 to the Builders' for Christ Campaign. At the Autumn meeting we had the pleasure of being among the first to welcome the Rev. Mr. and Mrs. Rhine to the Convocation, they having lately arrived in St. Peter's Rectory, at which parish we met. The Rev. Philemon Sturges addressed on the Youth Conference held in June at Denbigh, the new Diocesan Conference Center. We decided to sponsor a scholarship fund to be set up with further contributions from the men's group to enable worthy young people of our convocation to have the opportunity of attending this conference in June 1955.

The Rev. Dr. Stockman spoke on the work of the Seaman's Church Institute, and of the possible building of a branch in our Convocation, as a result of the changes being forced upon his institution by the Independence Hall Mall plan. We voted a gift of $50 toward helping his work.

A further gift of $25 was voted toward the Episcopal Hospital Building Fund.

The report of the Needlework Guild ingathering showed that nine of our churches had contributed garments and $155.

Money was voted for Christmas treats for St. Philip's and the Crucifixion for $20 each.

Mrs. Lela Walker Williams, Devotional Chairman, led a discussion on the possibility of a Quiet Evening for our group. The date was set for February 15 at St. Elisabeth's Church, pending the convenience of Mrs. U. Grant Beath, who is to be our leader. This being our first venture in a meeting of this character, we are determined to support it at all costs, for Mrs. Williams has constantly stressed the undergirding strength of our work must be prayer to our Blessed Lord, in whose name we meet and for whose cause we work.

THE CONVOCATION OF WEST PHILADELPHIA

At the close of the year 1954 I am glad to report that the three Missions of this Convocation have again had very fruitful and constructive years.

During the year, the Rev. S. Mitchell left St. Cyprian's Mission and was succeeded by the Rev. Paul M. Washington on October 1st. He found the work in good condition financially as well as in spirit.

During the year seven hundred dollars was borrowed from the Diocese in order to convert the coal furnace to oil and six months' time was given to repay this loan, but they were able to repay it in full in three months. The men of the Mission provided most of the labor required for this conversion.

The various organizations of the Mission are very active and the meetings have been well attended. From these organizations the Mission received the sum of $1,799.51 toward the 1954 budget.

When Mr. Washington took over the work at St. Cyprian's he saw the need for an organization for young people and a Young People's Fellowship was formed, and it is already strong enough to assure its continuance and growth.

The plans for the redevelopment of the area around the Mission are a cause for much anxiety and uncertainty, although there still seems to be a possibility for growth. However, these plans must inevitably affect the standing of the Mission.

Altogether, the year 1954 has been full of worthwhile accomplishments for St. Cyprian's and its members are to be commended for their fine work.

St. Titus' the year has been one of crisis for the Mission. On Palm Sunday the Vicar, the Rev. A. F. Gibson, resigned in order to accept another charge. Although this Mission was without the spiritual guidance of a priest, through the faithful service of Mr. Andrew T. Patterson, Lay Reader of St. James' Church, Kingsessing, services were held without interruption. On October 1st the Bishop appointed Ralph K. Rogers, a student of the Philadelphia Divinty School, as Seminarian-in-Charge.

In spite of the vicissitudes of the year, St. Titus' has moved forward. The attendances have been good and there are now fourteen candidates in the Confirmation Class undergoing instruction. The Church School enrollment has grown considerably and the attendance is good. The increase in the effectiveness of the Church School program is due in great measure to the fine cooperation of the Diocesan Department of Christian Education in providing audio-visual materials and much needed encouragement and advice.

Under the direction of William F. Gender, Seminarian-in-Charge of the Church School, an excellent Christmas pageant was given. Following the pageant an enjoyable Christmas Party was held. The expenses of the party were defrayed by a very much appreciated donation from the Woman's Auxiliary of the West Philadelphia Convocation.

During the year this Auxiliary has been most kind and generous. Its interest in St. Titus' has been a major factor in encouraging the forward movement of the Mission. The Vicarage on Eastwick Avenue now has kitchen cabinets, venetian blinds and an electric heater for the bathroom, all of which were provided by the Auxiliary.

Physical improvements to the Mission have also been accomplished. The people of St. Titus' have repainted the exterior of the Church and the interior is now in the process of being painted. New fluorescent light fixtures have been installed in the Church School rooms. It is hoped that by summer sufficient recreational facilities will be available to make St. Titus' an effective center for community teen-age activities.

At Thanksgiving hampers of food were sent to the Home of the Merciful Saviour. The women of the Mission also made up and gift-wrapped 100 Christmas packages for distribution at the Philadelphia General Hospital.

It is encouraging to note that the people of St. Titus' are keenly aware of their responsibility to spread Christ's Kingdom and that they have progressed toward this end during the year.

The year at St. Monica's Mission, the Rev. Matthew W. Davis, Vicar, was indeed a most encouraging one spiritually and all the members worked faithfully for the advancement of the Kingdom of God.

There were thirty-eight persons confirmed, the attendance increased at the Services, the Church School seemed to take on new life with the addition of five new teachers. The Choir also indicated new life and a better spirit of cooperation.

The Woman's Auxiliary, as always, led all the Guilds in their work. The Guild of St. Monica, the youngest organization, has shown that its members have many fine talents. The Men's Fellowship has been doing a fine work with a large number of the young men taking an active part.

The physical structure of the Mission has been improved — the fire escape repaired, the outside of the building painted, the lawn graded, the interchangeable sign was electrified, a new Cross was erected on the front of the building, the kindergarten room has been painted and a rubber tile floor installed; also three tables with benches attached were purchased for the small children.

The Mission has had a very steady and healthy growth under the leadership of Mr. Davis.

It is most encouraging to have such splendid Vicars and Seminarians in charge of these Missions and I do appreciate their loyalty and splendid leadership. The Woman's Auxiliary to the Convocation continues to do its good work and I am very grateful to Mrs. Roy A. Barlow, the Chairman, for her fine contribution in this important work.

WOMAN'S AUXILIARY OF THE CONVOCATION OF WEST PHILADELPHIA

We have had a very busy, extremely happy and very cooperative year in our Convocation of West Philadelphia during the past year. Had three meetings, which is our usual custom:

Education Day: January 21st — Holy Apostles and the Mediator. 10:30 A.M. Holy Communion — Celebrant Dr. Bomberger. 12 M. Luncheon in the Parish House, followed by our business meeting. Speaker was Mrs. James G. Ludwig, whose topic was "New Books" now available to us through the Department of Christian Education, of which Mrs. Ludwig is Vice-President.

Spring Meeting: May 13th at St. James, Hestonville, 52nd and Parrish Sts., at 4:30 P.M. Usual business meeting at which Mrs. Roy A. Barlow was installed as Chairman for the ensuing term of office. Coin Cards were distributed for use during the summer. Retired at 6 P.M. to dinner, joining the Men. Bishop Armstrong was our Speaker for the evening.

Ingathering of United Thank Offering: May 24th at 10:30 A.M. at the Holy Apostles and the Mediator, Bishop Hart was the Celebrant. Retired to the Parish House at noon for luncheon. Installation services at 1 P.M. in the Church for the Officers of the Woman's Auxiliary of the Diocese of Pennsylvania by Bishop Hart.

Fall Meeting: St. Barnabas Church, Haddington, 64th St. and Haverford Avenue at 4 P.M. Due to the Diocese of Pennsylvania being Host to the 25th Synod of the Province of Washington our meeting was postponed from the Third Thursday in October to October 28th. Bishop Armstrong has appealed to the women of this Convocation to accept as their project this Fall the Rectory of St. Titus' Mission, where he has installed Ralph Rogers (Formerly of Atlanta Ga., and now a student at our Philadelphia Divinity School). Mr. Rogers is Student-in-Charge at St. Titus'. He has already done an excellent job at St. Titus' Mission, building up the Congregation from a very few people to over 60, and a Sunday School af approximately 24 children. He has at the present time 18 children in his Confirmation Class. Coin Cards, which were distributed in the Spring, have been received, and resulted in a return of $91.40.

We also had a luncheon at St. James, Kingsessing, from which we realized $58.00. This was our contribution toward the Diocesan Special of this year — The Children's Department of the Episcopal City Mission, and check was forwarded March 27th of this year.

We also contributed $15.00 to each one of our three Missions— St. Cyprian's, St. Monica's and St. Titus' for their Christmas candy.

Also, we gave $15.00 to our Christian Social Relations Chairman for remembrances during the year, and especially at Christmas to our "Shut Ins" in homes and institutions. What a wonderful package was sent to them! Very useful and very thoughtful articles to make them very happy, and let them know they are not forgotten by their friends in this Convocation.

After our business meeting, we had as our Speaker Miss Helen Twadell, Chairman to Christian Citizenship in the Department of Christian Social Relations. Her subject was "Church World Service, New Windsor, Md.", which was very interesting and informative, and which was further continued in the evening (after the dinner) by motion picture of "Home is nowhere," showing the distribution of food and clothing in Europe, and other Foreign lands.

We joined the Men for dinner at 6 P.M., where Bishop Armstrong was the Speaker.

As a result of two Book Reviews during the year, we realized $79.00, and are very pleased with the response of our Delegates and their friends.

We had a Quiet Day on November 4th at St. George's Church, West Philadelphia. While the attendance was not too encouraging, those present were very much benefited. Father Edwards, the Rector of St. George's, was the Conductor of the Quiet Day.

We are very happy to report that Venetian Blinds have been installed in the Rectory at St. Titus' Mission; also kitchen cabinets; a metal wardrobe in a bed room; metal cabinet for storage of linens in the bath room, as well as an electric heater in the bath room. The cost of these articles amounted to $110.00, which was possible only by securing a discount through one of our local stores.

It is very gratifying indeed to note the cooperation of the women of the Convocation of West Philadelphia, especially members of

our various Missions, who are assisting with the work under the direction of Mrs. John H. Olmes, Chairman of the Elizabeth Price Martin League for Service Unit #1 at the Philadelphia General Hospital.

There is a fine spirit at all our meetings; we are group of women devoted to the work and ready to help wherever we can. A sincere "thank you" and grateful appreciation to the women of this Convocation of West Philadelphia for their interest and assistance in carrying on the work in our Convocation.

DEPARTMENT OF CHRISTIAN EDUCATION
DIOCESE OF PENNSYLVANIA

ANNUAL REPORT FOR 1954

The department has continued to direct its main efforts towards helping the parishes prepare to use the first courses of the new curriculum (first, fourth and seventh grades), which will be ready this spring. These efforts have largely been in two areas; continuation of the Parish Life Conference held at Strath Haven Inn, Swarthmore, and at the Conference Center since its opening; and the preparation for teaching the new courses which began at the Conference Center the last week in September when a team from the Natinal Council was with us for the week; a two day conference with the department, and three days of conferences with the clergy, and three evenings with teachers and superintendents of Church Schools. Since then Area Schools have been held in 15 areas of the diocese for the teachers of the first, fourth and seventh grades.

Having the Conference Center has been of inestimable value in all the work of the department and each month it increases the effectiveness of our work in many unsuspected ways, many of which will be made clear in the work of the separate committee reports which follow.

During the past year there have been some changes in committee personnel. Miss Helen W. McHenry resigned as Chairman of the Church School Committee upon accepting a position in another diocese, and Mrs. George C. Bland has accepted the Chairmanship of this committee. The Rev. John C. Knewstub resigned as Chairman of the Church School-by-Mail Committee and the Rev. Elbert K. St. Claire became the new Chairman. The Rev. Philemon F. Sturges resigned as Chairman of the Youth Commission upon becoming the Chairman of the Department of Christian Education. The Rev. Frederic R. Murray has accepted the Chairmanship of the Youth Commission.

The Audio-Visual Committee
The Rev. Robert Q. Kennaugh, Chairman

The largest effort of the Audio-Visual Committee in 1954 was to prepare a catalogue listing all films, slides and filmstrips available

in Room 30. The catalogue has been perforated and we suggested it be put in a loose-leaf binder as supplementary pages will be sent out from time to time.

This phase of the department's work continues to grow and more and more time is devoted to it by the office staff.

Church School Committee
Mrs. George C. Bland, Chairman

This committee planned for the Church School Institute to be held for three evenings during the week the team from the National Department was at the Conference Center to present the materials of the new curriculum. 465 teachers from 75 parishes were present at these meetings.

The committee cooperated with the Schools of Christian Education Committee and the Adult Committee in setting up an overall Leadership Training Program for the diocese which included fifteen area schools and many Parish Life Conferences as well as the Church School Teachers Institute.

The committee again worked with the Provincial committee in the preparation of the Lenten Bulletin and in cooperation with the Special Offerings Committee prepared the Lenten Guide for this diocese.

The Vacation Church School Committee
Miss Eleanor A. Deane, Chairman

To get off to a good start the Vacation Church School Committee sponsored an institute at St. Elisabeth's Church, 16th and Mifflin Streets, Philadelphia, on Sunday, April 25, 1954, from 4 p.m. to 9 p.m.

The key note of the institute was summer opportunities and family life. The Rev. Robert Nelson Back gave a splendid address on Family life and Christian education which was followed by general discussion. After supper the group divided into interest and age groups.

So far as the committee was able to ascertain there were 29 Vacation Church Schools or interest groups in the diocese.

We cooperated with the Provincial committee in the preparation of a Summer Bulletin and purchased and mailed out a copy of same to all our parishes.

The Church School-by-Mail Committee
The Rev. Elbert K. St. Claire, Chairman

Through the combined efforts of Church School-by-Mail families, two clergymen who found families in their own areas, and our own canvassing enroute while visiting families, 82 additional children needing the Church School-by-Mail were located in Chester, Delaware and Bucks Counties, making a total of 308 on roll during the year. Twenty-nine became affiliated with the nearest Sunday School; others moved or outgrew the work, leaving a total of 227 at the end of the year. Of these, 193 are in Chester Convocation, 11 in Germantown Convocation, 5 in Norristown Convocation, and 18 in the Home for Incurables, West Philadelphia. Eighty-four per cent of the families responded with returned question sheets, 50% regularly and 50% irregularly.

With the help of 5 volunteer drivers, 2 clergymen and 3 lay people, 83 visits were made, 43 to families on roll, and 40 canvassing. One hundred and ninety-five scholarships were received from parishes and missions for the support of the work. The families gave a mite box offering of $25.05; and 227 gifts were mailed them for Christmas. St. John's, Concord, provided a worker to mail and correct lessons to children in their district. The committee in charge of the Church School-by-Mail decided to renew their efforts for parish participation, and a meeting will be held with the rural clergy to discuss the matter.

During the past 15 years, 1548 children have received lessons through the Church School-by-Mail, and 756 of these have become members of Sunday Schools.

The Weekday Religious Education Committee

This committee continued inactive during the past year. The department is still considering this work and the Executive Secretary continued to cooperate with the Philadelphia Council of Churches' committee in the study of this worik.

The Youth Commission
The Rev. Philemon T. Sturges, Chairman

1954 marks the first year in which the various organizations and orders working with the Youth of our Church in this diocese were

formally coordinated under the aegis of the Diocesan Youth Council. The first visible token of this new arrangement was the Quinquagesima All Youth Service held in Holy Trinity Church, Rittenhouse Square, in which representatives of all six cooperating orders and organizations took part and which filled the Church.

In May was held the first All Youth Convention at the Conference Center, at which the Young People's Fellowship, the Girls' Friendly Society, the Junior Brotherhood of St. Andrew, the Junior Daughters of the King, the Servants of Christ the King, and the Order of St. Vincent held their respective annual meetings, and elected representatives to the Youth Council, and those young people present from unaffiliated youth groups held separate meetings and elected their representatives to the council. All the youth groups then joined forces for inspiration liberally given by the Rev. E. A. de Bordenave of Christ Church, and fun led by Mrs. Marion Potter.

Because of the limited dining room space at the Conference Center we were forced to conduct two summer conferences for high school youth this year. The first from June 20-26 was led by Canon Charles Martin, Headmaster of St. Alban's School, Washington, D. C., with an attendance of 75 and a staff of 14. The second from June 27-July 2 was led by the Rev. Thomas van B. Barrett of the R. E. Lee Memorial Church, Lexington, Virginia and was attended by 73 young people with a staff of 13, making a combined total for both conferences that is considerably in excess of the attendance at any previous single youth conference. Not only because of the high quality of the contribution of the two leaders, but the fact that we at last had our own facilities, and that the groups were small enough so that everyone knew almost everyone else, made these two conferences far and away the most successful of the past ten years.

During July the Youth Council entertained 12 foreign "youth visitors" to the World Assembly in Evanston at the Conference Center, and from the reports that have come in, it was a most successful occasion.

In September the Rev. Frederic R. Murray assumed the chairmanship of the Commission and started the year's work with a planning session held during a weekend at the Conference Center, which gave a head start on the work of the Youth Council that

it has lacked for many years. District Youth Meetings were held throughout the diocese the last Sunday in September at which program suggestions were high-lighted. The Youth Guide, Fall issue, with program aids was published and received such a good reception it was decided to have fewer issues and endeavor to have future ones prepared in the same way.

The Adult Committee
The Rev. H. Lawrence Whittemore, Jr., Chairman

The Adult Committee has assumed responsibility for promoting Parish Life Conferences (Intensive Weekends) in the Diocese. To date 10 of these weekends have been held. Three of these took place at our new Conference Center in Radnor. A total of 34 parishes have had representatives at these meetings. Leadership was supplied by clergy of this diocese and by clergy from neighboring dioceses.

In addition to promoting Parish Life Conferences the Adult Committee in conjunction with the Church School and the Schools of Christian Education Committees, planned and promoted the Area Schools currently being held in the diocese. The purpose of these schools is to assist Church School teachers in preparing for the new teaching materials which will be available in the Spring of 1955.

The Committee on Special Offerings
The Rev. Herbert W. Jones, Chairman

We are very happy to report that the Lenten Offering for 1954 amounted to $80,983.68 from 187 parishes and missions. It was presented the Fourth Sunday after Easter, May 16th at the Episcopal Academy. The choir of 1500 girls and boys from 75 parishes and missions was a thrilling sight in many colored vestments in procession with a large number of crosses, flags and banners and as they sang in the stands.

Our beloved Bishop brought us greetings and shared with us some of the highlights of the trip he and Mrs. Hart had just completed through the Holy Land.

The Advent Offering of $1410.92 from 33 parishes and missions was assigned to St. Cyril's, Coatesville.

The Lenten Study Guide was again prepared by the Church School Committee and the Special Offerings Committee.

The Birthday Thank Offering for 1954 amounted to $179.44 from 17 parishes and missions. It was for St. Mark's School, Bluefield, Nicaragua.

Thirty Church Schools sent $581.67 to Puerto Rico for Christmas gifts.

The Guild of the Christ Child
Mrs. Joseph Tatnall, Chairman

The use of this educational material by parents of the pre-school child initiates family participation in Christian Education from the time the child comes into the family. Twenty-five parishes and missions have established Guilds and we have ordered 6,000 copies in the four years we have been using it.

Schools of Christian Education Committee
The Rev. Jesse F. Anderson, Chairman

In cooperation with the committees of Leadership Training and Church Schools, we assisted in arrangements for the Church School Institute and the follow-up program in the form of fifteen Area Teacher Training Schools to be held throughout the diocese. The purpose of these schools is to present the materials of the new curriculum to the parishes.

During October and November seven schools have been held with 59 parishes out of 94 attending. Eight more schools are scheduled for January and February, 1955.

Annual Report for the Department of Christian Education — 1954

In closing, high praise as well as unstinted gratitude must be paid to the out-going chairman of the department, the Rev. Peter C. Van der Hiel. Under his splendid leadership during the past 7 years the department has attained and maintained an outstanding position among the other dioceses of our Church, in a time that has been one of the most critical in the field of Christian Education in centuries. His successor humbly hopes that, with the help of the many committees of the department without whom the work of the department could not continue, the fine standards that he has set may be continued.

Respectfully submitted,

PHILEMON F. STURGES, *Chairman*

REPORT OF THE DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

Chief among the accomplishments of the Department during 1954 was complete organization into the four Divisions as suggested by National Council. Each Division is listed below together with its Chairman:

Health and Welfare ..... The Rev. Stanley R. West, D.D.

Urban Church ..... The Rev. Arthur L. M. Worthey

Christian Citizenship ..... Edward S. Morris, Esq.

World Relief and Church Cooperation, Martin P. Snyder, Esq.

With all divisions cooperation a most satisfactory Institute was held on February 16th on the subject of "Juvenile Delinquency." Applicants for admission had to be turned away for lack of space. It is to be hoped that greater follow up on the enthusiasm generated here can be accomplished in 1955.

On October 11th a meeting of staff and board members of church related agencies again drew a greater than capacity crowd at the Diocesan Conference Center where Mrs. Theodore Wedel conducted a most interesting discussion. The steam generated here has been further capitalized on by the present program of the Health and Welfare Division in taking active steps to recruit church people to social service education and social service work.

At its December meeting the Department passed a resolution pledging its support to the Division of World Relief and Church Cooperation in its program for resettling refugees under the Revised Refugee Act of 1953. At the same time it asked Executive Council to pass a supporting resolution at its December meeting which has been done. The refugee program under the able direction of Mr. Martin P. Snyder is rapidly developing.

It is believed that, with God's help, the year 1955 should be an extremely active and productive one for the Department.

Respectively submitted,

SYDNEY L. W. LEA, *Chairman*

APPENDIX I

REPORT OF THE COMMITTEE ON THE FUND FOR THE EPISCOPATE

This past year the Committee has endeavored to publicize the existence and usefulness of the Fund and the need for increasing it through gifts and bequests by means of a continuation of the advertisements in The Church News and its efforts to extend the use of the Committee's special gift envelope.

Although far from having reached its aim of persuading every parish to use such envelopes, the Committee has been encouraged by the increasing number of parishes responding this year to the Committee's request to do so. Last year there were 6 parishes who used the envelopes and this year 25. Use of the envelops is promoted with the two fold purpose of giving broad coverage so far as information about the Fund is concerned from the brief statement on the envelope as well as of affording a convenient and equally broad opportunity for current gifts. Ten parishes have received and sent in contributions to the Fund through use of the envelopes.

The principal of the Fund stood at $311,720.97 on March 15, 1954 and at $354,802.32 on March 30, 1955.

This report should not be closed without an expression of the great debt owed by the Diocese and the Committee to Mr. Clarence Brown, its Honorary Chairman, and Spencer Ervin, Esq., its former Vice-Chairman and Treasurer for their considerable and devoted support of the Fund and the work of the Committee. It is worth noting that the present efforts of the Committee continue on the same course set by them as the most likely to reach the Diocesan goal of a Fund adequate to support the Episcopate.

Respectfully submitted for the Committee,

D. Alexander Wieland

In case of dissolution, the said books and papers should be turned over to the Registrar as soon as possible thereafter, for permanent storage in the Church House vault.

INSURANCE

Mission Properties

A total of $3,009,465. fire insurance with extended coverage, vandalism and malicious mischief, is now in force on Mission properties in the Diocese.

This insurance is placed with the Church Fire Insurance Corporation and periodic reviews of sound insurable values are made

by that Corporation, giving effect to changes in building costs and improvements. The Church Foundation has been authorized by the Executive Council of the Diocese to keep the insurance up to 80% of sound insurable value, and we are indicating the cases in which the insurance hae been increased since our last report.

At the April 9, 1954 meeting of the Executive Council the following resolution was passed:

"RESOLVED, That vandalism and malicious mischief insurance be added to the insurance policies with the Church Fire Insurance Corporation now in force on the Mission properties of the Diocese."

In order to comply with this resolution the Church Foundation proceeded to place this coverage on all the Mission properties.

The Mission Properties are also insured against Public Liability with $10,000/$20,000. limits.

Conference Center

As a result of a physical appraisal by the Church Fire Insurance Corporation, a total insurance of $342,700 on the Conference Center buildings was placed, which is a blanket policy covering all buildings and represents 90% of the sound insurable value which is required to be carried on a blanket policy. The individual amounts are as follows:

Main Building	$218,800.	
Main Building Contents	12,800.	
Chapel and Dormitory Building	86,100.	
Contents on above	6,150.	
Garage	800.	
Tenant Dwellings	18,050.	
Total		$342.700.

Hurricane Hazel

The hurricane which occurred on October 15, 1954, caused considerable damage throughout the Diocese. The following claims placed through The Church Foundation have been collected. The first $50. of damage is not collectable in most policies.

Advent, Polish, Phila.	$ 145.00	
All Souls for the Deaf, Phila.	145.00	
All Saints, Rhawnhurst	95.00	
Holy Redeemer, Polish, Phila.	88.00

The only outstanding claim is that of St. Elisabeth's Church, 1606 Mifflin Street, Philadelphia, which suffered quite extensive damage. This claim is still in process of adjustment.

Other claims made by the Church Authorities directly to the insurance companies on churches to which we have title were as follows:

Trinity Memorial, Phila.
St. David, Manayunk
St. James, Green Ridge

Fire Loss

A fire loss of considerable extent was suffered by the Church of the Advent Mission (Polish), 507 York Avenue, Philadelphia on July 31, 1954. The loss was assigned by the various insurance companies to the General Adjustment Bureau and negotiating with their representative, a settlement of $13,402. was obtained. This represented depreciation of less than 10% from the estimated fire damage of $14,402. by F. B. Davis Sons, Builders. The contents of the property were insured for $2,500. and the Church Fire Insurance Company paid this amount without depreciation. This was considered a very fair settlement of our claim.

The following is a list of the Mission properties showing the fire insurance with extended coverage and vandalism and malicious mischief in force on buildings and contents on each property as of March 1, 1955.

Our policy is to obtain the best possible income for our participating funds consistent with safety of principal, and keeping cash on hand fully invested. We have constantly in mind maintaining a proper balance in our Consolidated Fund between bonds, preferred and common stocks, and the percentage in each group is shown in the summary of securities later in the report. Particular attention has been paid to the maturity of bond obligations within a ten year period, which places the Consolidated Fund in a good position to take advantage of market situations as they arise.

Our policy is to accept United States Series G 2½% Savings Bonds at their maturity value rather than their redemption value. This is an encouragement to Churches who have invested in these securities, to place their funds with The Church Foundation without incurring any loss of principal. The Consolidated Fund owns a total of $197,600. U. S. Saving G 2½% bonds as of December 31, 1954, of which $33,400 mature during the calendar year 1955.

During past years, a small percentage of the income earned by units in the Consolidated Fund has been placed in an Amortization Reserve Fund, and added to the principal account. The purpose of this fund was to offset any principal loss due to bonds purchased at a premium above par value. Since this contingency has been provided for by our present Amortization Reserve Fund consisting of $20,200. in U. S. Savings G bonds, no amortization charges were made during 1954.

CONSOLIDATED FUND

The Consolidated Fund is similar to the Common Trust Funds operated by banking institutions. Each unit has a participating interest in the portfolio of securities, consisting of bonds, preferred stocks and common stocks. The diversification of investment is of particular advantage for participating funds.

There were 140 funds participating in the Consolidated Fund as of December 31, 1954. These funds held 284,808 units having a cost price of $3,175,198.58, or an average of $11.14 per unit.

The participating funds are grouped below in accordance with size and amounts.

The accompanying chart on pages 12 and 13, shows the growth and progress of the Consolidated Fund since its inception in 1943. Since that time the unit value has appreciated materially, but the income per unit has also increased sufficiently to keep the yield attractive.

The twelve year record of the Consolidated Fund units follows:

Year Ended Dec. 5	*Value Per Unit*	*Distributed* Income Per Unit*	*Indicated Year Ended Yield*
1943	$10.16	—	—
1944	10.70	37.98 cents	3.55%

1954	14.95	58.25 "	3.89%

*After Amortization charges, but before administration charges.

The above table indicates the income distributions per unit have increased each year since the inception of the Consolidated Fund. Since the average cost of all outstanding units is $11.14 per unit, the average income yield per unit was 5.2% based on 1954 earnings of 58.25 cents per unit.

New units may be purchased four times a year when the price is determined by appraisal of the securities. Cash for investment in any of the participating funds must be in the hands of The Church Foundation on or before the 10th day of March, June, September and December.

During the year 1954 units were purchased at the following prices as a result of the four quarterly appraisals based on market values.

March 5, 1954	$13.36
June 5, 1954	13.83
September 5, 1954	14.17
December 5, 1954	14.95

CONSOLIDATED LEGAL FUND

The Consolidated Legal Fund was established in 1953. It is primarily an investment for funds which are restricted to legal investments for trust funds. However, the Consolidated Legal Fund could be used advantageously by any fund whose primary purpose was conservative investment and one in which values would not be subject to wide fluctuations.

During the year 1954 units were purchased at the following price as a result of the four quarterly appraisals.

March 5, 1954	$10.57
June 5, 1954	10.57
September 5, 1954	10.62
December 5, 1954	10.76

Income distributions during the year 1954 were 41.59 cents per unit. On the basis of the last unit value of $10.76 per unit, the indicated yield would be 3.8%.

A list of the securities held is shown at the end of this report.

REPORT OF THE CATHEDRAL CHAPTER

Interest and growth at the Cathedral continued in the year past. The Church School has increased to the extent that the quarters provided have been outgrown. This has necessitated the curtailment of this important activity during the colder months of the year.

Under the Will of Sara English Green Tatum, Deceased, the Cathedral Foundation received during the year a legacy of five thousand dollars ($5,000.00) for the establishment of a suitable memorial for her husband and herself.

The Chapter records with deep regret that on May 12, 1954, there occurred the death of Louis B. Runk, Esquire, long a member of the Cathedral Chapter and Treasurer of the Cathedral Foundation. In Mr. Runk's passing the Cathedral Foundation suffered a severe loss.

The Chapter still entertains the hope that sometime in the future the seating capacity of the Cathedral can be enlarged and facilities arranged for the many Diocesan activities that should be centered at the Cathedral Church. A growing community about the Cathedral property increases the pressure of these needs.

Respectfully submitted,

WILLIAM N. LANIGAN,

Registrar-Secretary

APPENDIX M

REPORT OF THE COMMISSION ON RECTORS' SALARIES AND PENSIONS

The Commission has granted to those Parishes asking aid from the Sustentation Fund to bring up their Rectors' salaries to the Diocesan standard in five instances during the past year. In several instances the Pension premium on a Rector's salary has been advanced from the Fund with the assurance of repayment on the part of the Parish.

Again we would bring to the attention of Vestries the need of paying the Pension premiums as the first responsibility of a Parish, next only to the Rector's salary. Arrearages mean the payment of interest and when such amounts exceed a six month period militate against others; for instance, in the allotment of the thousand dollars to the widow of a deceased clergyman.

The assessments have been met by the Parishes, and with the smaller demands now being made upon the Sustentation Fund, your Commission feels sure that the lower sum of $6,000.00 that has been asked for during these past few years will be sufficient for the year 1956, and therefore present the following resolution:

RESOLVED, That the Commission on Rectors' Salaries and Pensions be authorized to assess for the Sustentation Fund for the year 1956 the sum of $6,000.00.

Your Commission is further empowered to present such resolutions as pertain to the minimum salaries of the Clergy who are paid in whole or in part by the Diocese. Therefore, in agreement with the Finance Department and the Executive Council, we present to Convention the following resolutions:

RESOLVED, That after January 1st, 1956, the minimum salary of Rectors, Vicars and other Clergymen, whose stipends are paid wholly or in part by the Diocese, be fixed as follows:

A. 1. At $3,200 with Rectory or living quarters and

pension premium for the first year that a single Clergyman has been in Holy Orders.

A. 2. At $3,500 with Rectory or living quarters and pension premium for single Clergyman who has been in Holy Orders over one year.

B. 1. At $3,600 with Rectory or living quarters and pension premium for the first year that a married Clergyman has been in Holy Orders, plus an allowance of $100 a year for each child under 18 years of age.

B. 2. At $3,800 with Rectory or living quarters and pension premium for a married Clergyman who has been in Holy Orders over one year, plus an allowance of $100 a year for each child under 18 years of age.

C. If no Rectory or living quarters be provided for such Rectors, Vicars and other Clergymen, whose stipends are paid wholly or in part by the Diocese, then the sum of $900 shall be added to the salary, or such portion as may be deemed necessary, at the discretion of the Bishop in consultation with the Dean of the Convocation concerned, shall decide.

Since these changes have been authorized by Convention, therefore be it further Resolved: That the Commission on Rectors' Salaries and Pensions be empowered by Convention to make such changes in grants from the Sustentation Fund as will bring them to sums in accordance with these changes.

Respectfully submitted,

JAMES M. NIBLO, *Chairman*

APPENDIX N

REPORT OF THE COMMITTEE ON CONSTITUTION AND CANONS

The Committee on Constitution and Canons of this Diocese has received from the Field Department, and carefully considered, certain propositions to amend Canon VI, of THE EXECUTIVE COUNCIL, to provide legislation which will create a separate Department of Promotion, distinct from the existing Department of Finance, Property and Promotion.

For the sake of clarity it must be understood that the authority of the Committee on Constitution and Canons is restricted in that it cannot pass on policies which canons are intended to implement or set forth. This Committee has authority to ascertain (1) whether the subject matter suggested for a canon is proper for inclusion into legislative canons, and (2) whether the proposed legislation is set forth in proper canonical terms. Having done this, the Committee has discharged its duty once it has sent up to the Diocesan Convention the legislation it finds to be in ecclesiastical and canonical order.

1. It is proposed to amend Canon VI, Sec. II, 2., at line 7, which now reads:

"The Department of Finance, Property and Promotion,"

to read:

"The Department of Finance and Property,"

omitting the words "and Promotion."

A new line 8 shall read:

"The Department of Promotion."

2. It is proposed to amend the same Canon at Sec. II, 3. (d). which now reads:

"The Department of Finance, Property and Promotion shall:" to read:

"The Department of Finance and Property shall:" thus deleting the words "and Promotion."

3. It is proposed to delete entirely Sec. II, 3. (d) (6), which now reads:

"Have charge of the Diocesan periodical, and all other publicity and promotional undertakings of the Diocese."

4. It is proposed to amend Sec. II, 5, at lines 5 and 6, which now read:

"The Department of Finance, Property and Promotion, etc." to read:

"The Department of Finance and Property," thus omitting the words "and Promotion."

5. It is further proposed to provide for the Department of Promotion by adding to subsection 3. the following legislation:

"(e) The Department of Promotion shall be concerned with Publicity in relation to Diocesan promotional publications, films, and other such media; Public Relations in regard to newspapers, radio, television, speakers; and Stewardship in relation to fund-raising and the motives and techniques employed."

Your Committee considered the proposed legislation carefully, and at some length, within the Committee's authority. It finds that the new legislation, as here proposed, leaves some questions unanswered. (1) For what is the new Department *responsible*, if anything? The words, "concerned with," convey no power to the Department. (2) Is the new Department to have power *to require* the use of its above named functions at diocesan, parish, or mission level? Or, (3), is the Department to be merely advisory, offering its services to the diocese, parishes, and missions, on a purely voluntary basis? (4) The word "Stewardship" means "management," but it appears to your Committee as a word which is not sufficiently specific for inclusion in canonical legislation. The word is itself subject, even with the prefix "Christian," to several interpretations, so that the judgment of the Committee is that it be deleted entirely. Such deletion would not, in our opinion, gravely affect the sense of the remainder of the same clause. (5) Because Sec. II, 3. (d) (6), which provides for oversight of the Diocesan magazine, shall have been deleted entirely in the proposed legislation, who shall now have charge of the periodical when the proposed new section of this Canon makes no mention of it?

These findings have been conveyed to the persons responsible for the suggested amendments and additions to Canon VI, Sec. II. Another redraft of the proposed subsection (e) was sent to your Committee with the request that it redraft the whole subsection (e) and present it to this Convention for whatever action the Convention chooses to take. The Committee has done so, carefully and deliberately leaving out the word "Stewardship." We submit the following legislation for action by this Convention:

(e) The Department of Promotion shall have charge of the Diocesan periodical, and shall have power to advise, suggest, and recommend throughout this Diocese on all matters relating to Publicity, and Public Relations, together with plans and techniques of fund-raising.

The remainder of the provisions, as originally proposed in subsection (e) are not considered, in the opinion of this Committee, proper material for inclusion in a canon. They would be just as effective in, and more properly part of, whatever Rules of Procedure, or By-laws, the proposed Department would adopt, subject to the approval of the Bishop and the Executive Council. This reasoning, which we feel is sound, ought to be obvious. A primary reason is that the Department can change its Rules of Procedure, or By-laws, at one meeting, but it would have to wait one year to change functions specifically provided in a canon.

The Committee on Constitution and Canons, therefore, now finds the suggested amendments to Canon VI, Sec. II, 2. at line 7 (together with the addition of new line 8), 3. (d), (d) (6), and 5 at lines 5 and 6 to be in order, and presents them for action of this Convention. Finally, your Committee finds the redraft it was requested to make of subsection (e), as herein set forth, to be in order, and presents it to this Convention.

Respectfully submitted,

(The Rev.) RALPH E. COONRAD, J.C.D.,
Chairman of the Committee on
Constitution and Canons.

REPORT OF THE BOARD OF CONTROL OF THE DIOCESAN LIBRARY

During 1954, eleven magazines were subscribed for and placed in the rack in Room 11. Fifty-eight new books were received and placed on the shelves.

New books were listed in the Church News, and the entire list of books purchased was sent to all the clergy, and interested laity. These people were also sent a letter soliciting additional use of the Library with an invitation to become sustaining members at $1.00 a year. And the Library was used to good advantage by many throughout the year.

The loss of our member, the Rev. D. Wilmot Gateson, is deeply felt. His faithful cooperation, and cheerful manner was always an inspiration and help. In his place, the Standing Committee has appointed the Rev. George B. Krantz.

Respectfully submitted,

THE REV. WALTER M. HAUSHALTER, LL.D.,

APPENDIX T

REPORT OF CORPORATION FOR CHRISTIAN WORK IN EDUCATIONAL INSTITUTIONS (COMMISSION FOR COLLEGE WORK)

The Corporation met six times during 1954 to conduct its ever increasing business in advancing the work of the Church in institutions of higher learning.

Plans for the work at Haverford and Bryn Mawr were the principal subjects of the first two meetings in the Fall. The Rectors primarily concerned kindly attended, to give the Corporation the benefit of their counsel, the Rev. Hadley Williams of St. Mary's, Ardmore, in September, and the Rev. Dr. Thorne Sparkman of the Church of the Redeemer, Bryn Mawr, in October. Dr. Sparkman undertook to direct and promote the Church's work on the Bryn Mawr Campus from his parish without expense to the Diocese. He has arranged for Mrs. William L. McLean, III, one-time assistant to the Chaplain at the University of Pennsylvania, to help in the program at Bryn Mawr, and she has embarked on this work. A seminary student, Mr. Donald Baldwin, works at Haverford with difficult problems that may call for a new approach to the students of our Church on that campus.

At Drexel the Church has continued its ministry to students through St. Andrew's parish with the supervision of Mr. Kermit Lloyd, seminarian minister to that parish. A University Christian Movement similar to that now active at Temple is in the process of formation, and our Church has agreed to participate in it on the same basis as at Temple. In both places seminary-internes are or will be working for one year periods on the campus with all Christian students other than Roman Catholics. Canterbury Clubs continue to function under the direction of a priest or seminarian of this Church, and it has been found that the two organizations are mutually strengthening and beneficial to each other.

The work at all the other institutions proceeds under the same arrangements and ministry as in 1953. The Executive Secretary visited Lincoln with a group of students in May 1954, and preached at Cheney in January 1955, and met with the Rev. Albion Ferrell and the Episcopal students. He spoke to the Canterbury Club at Swarthmore in October, and met with the Drexel students at their opening monthly Friday night meeting in the same month. He has celebrated the Eucharist twice for the Temple students and addressed them at their Communion breakfast following, which is held each Thursday morning at the Church of the Annunciation. Beaver students were brought by the Rev. Louis Fifer to a supper, service and square dance at St. Mary's, Hamilton Village, for the first meeting in the Fall. The Canterbury Club at Ursinus continues active under the Rev. Mr. Platts' guidance. At other institutions our work goes on but not with formal organization in Canterbury Clubs. Especially noteworthy is the very active ministry of Holy Trinity Parish to the many downtown students through its Sunday evening Trinity Club.

The chief effort of our Church inevitably is made at the University of Pennsylvania where the Executive Secretary spends most of his time as Chaplain to Episcopal students. Besides participating in increasing number in the services of St. Mary's parish, student layreaders are now conducting their own service of Evening Prayer. They participate in the many activities of the Christian Association, and make the faith and tradition of this Church felt in the common Christian fellowship on campus.

A conference for students was held at the Diocesan Conference Center in November. Bishop Quentin Huang spoke to a group of thirty students from all over the Diocese on the Christian witness behind the Bamboo Curtain, relating his personal experiences and explaining the threat and challenge of Communism to our faith and civilization. The Conference Center has been most helpful for student conferences and retreats. The University of Pennsylvania Canterbury went there twice in the Fall, once for an outing of fun and fellowship, once for a retreat of prayer and meditation on the 15th chapter of the Gospel of St. John.

As the year closed plans were in progress for a conference of Episcopal Faculty of the Diocese. This was held with great success in January, 1955, with about fifty present under the leadership of

Dr. Thomas S. K. Scott-Craig, Chairman of Faculty Work in the Division of College Work of the National Council. But as this opens a new chapter in the work of the Corporation which will be strengthened during this current year, further information on this new development will be reserved until next year's report.

We wish to express our thanks to those members of the Corporation retiring as of the Diocesan Convention of 1955, Mr. Thomas B. K. Ringe, our President for 1953-1954, whose strong hand gave leadership at the point that the new Executive Secretary needed it most, Mr. Ronald J. McCarthy, Treasurer, who has managed all the financial affairs for six years, and the Rev. Dr. C. Edward Hopkin, whose wise counsel in the field of education has been of special value.

Respectfully submitted,

CHARLES K. C. LAWRENCE,

Executive Secretary

THE NATIONAL COUNCIL
281 Fourth Ave.
NEW YORK 10, N. Y.

December 10, 1954

The Rev. Charles H. Long, D.D.
202 West Rittenhouse Square
Philadelphia 3, Pennsylvania

Dear Dr. Long:

Permit me to report to you that at the meeting of the National Council held October 13-14, 1954, I read to the Council the letter which you addressed to me on May 7, 1954, containing the Resolution adopted by the 170th Annual Convention of the Diocese of Pennsylvania in regard to publications of the National Council of the Churches of Christ in the United States of America. The Council referred this Resolution to its President, the Right Reverend Henry Knox Sherrill, D.D.

At the meeting of the National Council held at Seabury House, Greenwich, Conn., December 8-9, 1954, the President reported as follows:

"A Resolution of the Diocese of Pennsylvania was received by the National Council relative to certain publications of the National Council of the Churches of Christ. The Presiding Bishop took this matter up with the Committee on Policy and Strategy of the National Council of Churches. The Committee at once recognized the misunderstanding created by these publications which were in no case statements of the National Council and approved by the General Board. The National Council of Churches does not in any way interfere with the faith or the organization of any church which is a constituent member. There may possibly from time to time be published documents which may be of assistance to various groups within the Council but in every case the authority for the statement and the purpose of the statement should be clearly defined and printed on the document. Accordingly upon recommendation of the Committee on Policy and Strategy the General Board took the following action in an effort

to correct the situation described in the Resolution of the Diocese of Pennsylvania.

"The imprint of the National Council of Churches or of any of its units on a publication implies some measure of responsibility for its contents. The Council bears full responsibility for the publication of an official statement approved by the General Assembly or the General Board. It has much less responsibility for an item over the name of an individual. The Council's responsibility for publications of units of the Council is indefinite but still real.

"It is important therefore that the unit and staff of the Council exercise care in defining the status of publications. Usually a clear statement should be printed conspicuously on each item to indicate whether or not it is a statement of the official position of the National Council of Churches or of its units.

"Reprints of articles, printed addresses or pamphlets over the name of an author should bear some such statement as the following: "The responsibility for the contents of this booklet is that of the author. It is not necessarily to be construed as representing an official position of the National Council of Churches or of its units." Study materials should bear some such statement as the following: "This booklet is published as an aid to study and discussion. It is not necessarily to be construed as representing an official position of the National Council of Churches or of its units."

I trust that you will convey this information to the Convention of your Diocese.

Very sincerely yours

C. RANKIN BARNES

APPENDIX V

COMMITTEE ON CHRISTIAN VOCATIONS

Bishop Hart, Reverend Clergy, Deputies to Convention, and Gentlemen:

The first thing we would report is that there no longer exists anything called The Committee on Recruiting for the Ministry. It was agreed by the members of the Committee that our work must be broader than the old name implied. Accordingly we have, with permission of the Executive Council, changed the name to The Committee on Christian Vocations.

We would stress that it is our hope to be able to function in such a manner that we shall serve as a center of information for persons who desire to serve the Church. There are many vocations open to those who would so serve. Primarily, and supremely, there is the Sacred Ministry. But there are other vocations which are greatly rewarding and much needed within the economy of Holy Church.

To mention but a few of these Christian vocations, with which this committee will concern itself, there is the expanding area of parish lay workers, parish secretaries, evangelists, teachers, Church Army workers, parish visitors, Lay Brothers and Sisters in the many excellent Monasteries and Convents of the Episcopal Church as well as in the Order of Deaconesses. There is the Perpetual Diaconate for business men who, desiring to continue with their secular work, nevertheless feel called to more specific work within the Church. We also hope that doctors and nurses may know more specifically their unique opportunities to serve Christ's sick children everywhere.

To do this we must ask for and secure the cooperation of the parish clergy. Better than any committee, you, the individual Rectors, know the persons in your parishes who might be helped to find vocations in the church. It is our earnest request that you put them in touch with us that we, with you and them, may make a highway for our God in many lives.

We urge that you send the names of likely persons so that we may send them appropriate literature as it is developed from time to time.

This Committee has been in office only a few months. Our first effort was to write all neighboring dioceses to determine how they handled similar matters. We discovered that there is a great need for exploratory work in this area of Christian Vocations. It is our intention to try to see if we cannot make some contribution to the Church through it.

To try to find some of the answers we conducted a survey of all our seminaries by means of a questionnaire. The Deans of most seminaries were cooperative and we received well over 300 replies from seminarians.

This is not the place to make a detailed result of our findings. However, we do hope to expand them into an article for a national magazine of the Church.

It would be of interest, however, to report that two things stand out in answer to the question: "What most influenced you to enter the Sacred Ministry?" Here the number that replied in terms of their work in Young People's Fellowship, as Acolytes, in Choir, and attending Summer camps and conferences offers definite refutation to those critics of church activitiy who feel that all this is a waste of time and effort.

The second most prolific incentive to entering the ministry, indicated by the survey is the example of the clergy themselves. I will not labor this point, but it is only true to say that in proportion as we are faithful to our vocation as priests and pastors we stimulate Christian laymen to go and do likewise. A Committee on Christian Vocations can serve an important function in this Diocese. But it can never replace a consecrated Christian Pastor.

It is our desire to function as a lively and helpful servant to the clergy. We had hoped that this morning we would be able to distribute our first tract to you, but printers being what they are, we do not have it in hand as yet. However, a copy will be mailed to you shortly and we urge that you keep a supply on hand to give to likely persons who would serve in the Church.

Finally, brethren, we would appeal to you to use this committee. We would like the names of your young people away at colleges so that we may write them and send them appropriate literature. We urge you that you preach sermons on Christian Vocations from time to time; we recommend that the direct appeal for work

in the Church be used, for often a word spoken in due season makes much gain.

Remember that there is a Committee on Christian Vocations. Help us; give us the benefit of your criticisms and suggestions from time to time. But use us that we may do such tasks as God lays upon us.

REPORT OF THE PRESIDING BISHOP'S COMMITTEE LAYMEN'S WORK

Organization—Our main probelm to date has been to develop a strong and interested lay organization through the appointment of competent and dedicated key laymen in each parish and the designation of similarly qualified chairmen for each Convocation. Parish laymen are designated by their rectors after the initial approach has been made, in some cases, by the Convocational chairmen. As you can understand, it has been necessary to replace previously designated key laymen in many cases here such replacement has been indicated, and the selection of the replacements has not been rushed. It is our aim to form a dependable and interested organization. Consequently, we have yet to find a Convocational chairman for the South Philadelphia and the West Philadelphia Convocations and the parish keymen organization needs considerably more work to be done on it to devlop strength.

As of March 14, 1955, the following totals of key laymen have accepted their responsibility as indicated by Convocations:

	Parishes	*Keyman Representation*	*Percent of Representation to Parishes*
Germantown	50	30	60%
Chester	56	28	50%
West Philadelphia	20	8	40%
North Philadelphia	32	12	36%
Norristown	28	6	21%
South Philadelphia	16	0	00%

Program—In the development of a program for this Diocese, we have had the most helpful and interested cooperation from Dr. Harper, who is heading up this program on a national level for Bishop Sherrill. Through Dr. Harper, we are obtaining the benefit of the very successful experiences of other diocese in the development of the types of projects which have proven successful in other dioceses.

The present status of our program, with brief descriptions of the projects included therein, is as follows:

1. *July*, 1954. Formal organization of Officers and Executive Committee, including heads of the Brotherhood of St. Andrew, the Church Club, the Laymen's Union and Field Department. (Exhibit A) All appointments have received the approval of Bishop Hart and/or Deans and/or Clergy.
2. *September*, 1954. Introductory meeting at Conference Center attended by Bishops Hart and Armstrong, deans, clergy and roughly 80 leading laymen.
3. *October*, 1954. Preparation for assisting clergy in developing attendance at Men's and Boy's Advent Corporate Communion.
4. *November*, 1954. Activity in assisting clergy under #3.
5. *December*, 1954. Efforts to consolidate parish keymen manpower.
6. *January*, 1955. Preparation for assisting Brotherhood of St. Andrew and clergy in stimulating attendance at George Washington Men's and Boy's Corporate Communion, February 19, 1955.
7. *February*, 1955. Activity as indicated under #6 with further consolidation of parish keymen manpower.
8. *March*, 1955. Assistance to the clergy in stimulating men's attendance at Lenten services and study groups in each parish and at center-city noon time services.
9. *April*, 1955. Assistance to the clergy, with the help of the Young People's Fellowship, to promote the erection of directional signs provided by the National Church ("The Episcopal Church Welcomes You") located adjacent to as many parishes as possible.
10. *May*, 1955. Assistance to the clergy in encouraging dedicated lay activity by the recognition of all significant lay leaders in each parish at a special service late in May.
11. *June*, 1955. A Diocesan-wide meeting of Bishops, Deans, Clergy and keymen at the Conference Center to report on the Provincial Conference of the Presiding Bishop's Committee in Virginia (May 20) convened to discuss programs and prepare plans for 1955-1956.

Until we became more experienced, it will undoubtedly be

necessary to strive to improve continuously the type of program, and to ascertain the nature of projects which appeals most to the laymen in this Diocese and to each rector, according to the greatest areas of assistance to him. In a sense, therefore, our present program is somewhat tentative in character until we have refined it with the advice and assistance of our growing organization, coinciding with the desires of the Bishop, Deans and Rectors.

As a matter of interest, you will find appended releases from the National Church, which demonstrate the enthusiastic success which other dioceses have experienced and the projects which have helped to engender this enthusiasm. (Exhibit B)

Functions of the Bishop's Committee itself in the development of a program for this Diocese are not to assume full responsibility for the development of the program, but rather to exercise the necessary unifying guidance, which will bring forth from the parishes spontaneous suggestions for projects, improvements in program, etc. The Bishop's Committee, in turn, receives its help and leadership from the National Church. Regular meetings of our Executive Committee are held the first Saturday of each month at the Conference Center in Radnor, and interim meetings are called from time to time as necessary.

Finances—As of March 14, 1955, the following expenditures have been made to meet only the most essential requirements for the period beginning July, 1954:

Net cost of September Conference lunches (approximately 89 servings)	$ 71.20
Secretarial services	194.00
Mimeographing expense	46.60
Supplies from National Council	70.02
Printing (letterheads and envelopes)	14.16
Addressing	79.83
Badges for September Conference	10.78
	$486.59

These expenses have been initially undertaken as the personal financial responsibility of the chairman, who was subsequently reimbursed with funds authorized by Bishop Hart.

We feel strongly that the progress of this program and its proper implementation during 1956 is very greatly dependent on knowing just where the presiding Bishop's Committee stands as

far as financial needs are concerned. Without definite assurance as to the funds necessary to meet minimum needs, it may be necessary to reduce the projected program to a point where it will indeed be questionable as the advisability of its continuance at all.

It might be said parenthetically that your Committee has already initiated projects which have been approved by Dr. Harper for national adoption by all Dioceses. I refer specifically to recognition service for lay leaders of all organizations within each parish and also to the acceptance of the hymn "Rise Up, O Men of God" as the official national hymn for this program.

Estimated expenditures for 1956, anticipating increased momentum and activity in order to place this program on a par with or ahead of other Dioceses, are approximated at $1,200. to $1,500.

It is expected that Mr. William J. Sargent, Drexel and Company, will act as Treasurer and that the Committee will be fully responsible to the Diocese for proper use and accountability of these funds. It will be most appreciated if the amount of $1,500. can be included in the total budget to be submitted for approval at the forthcoming Diocesan Convention.

I am most grateful for your interest and cooperation, and look forward with the highest hopes to developing a program of which the Diocese may be justly proud.

Sincerely,
Robert N. D. Arndt
Chairman

WHEREAS the work of The Presiding Bishop's Committee on Laymen's Work has developed to the point of needing financial assistance,
THEREFORE BE IT RESOLVED, that a sum not exceeding $1,500.00 be placed in the Missionary Budget for 1956.
